## COMMENTS

The school year is off to a wonderful start! We just completed our Initial Parent Meetings and the teachers are reporting that these were very productive meetings, allowing them to learn more about their students and families and their goals for the year. In addition, our Club Montessori before- and after-school programs are providing support (and fun!) for more families than ever.

Our sports programs are off to a fantastic start: our Flag Football and Girls' Volleyball teams won their first games of the year and we host our first Cross Country Meet with 10 local schools participating this week. We are excited about the opportunity to host all of our first games and meets at home, allowing students, parents and staff to participate.

We have also started many of our enrichment programs, including drama classes, dance classes, and hula sessions. We look forward to Band starting next week, with both beginning and advanced band classes. Last night's "Meet the Instruments" event allowed our 4<sup>th</sup> through 8<sup>th</sup> grade students to test out several different instruments to help guide their music-making decisions.
