COMMENTS: The CMP-Carmichael Community has maintained strong connections and school spirit during the closure! This week kicked off with a drive-through parade, themed “May the 4th Be With You.” Our staff and families put on their favorite Star Wars costumes to show their school spirit. Our wonderful families surprised the staff by decorating their cars with messages of teacher and staff appreciation, and the messages reflected the gratitude and strong sense of community felt, despite the distance. Also, the Blacktop Resurfacing Project has continued during the closure and there is now a new surface, new basketball stands are being installed, and the new ball wall is built and awaits Mr. Noah’s creative touch. We’re so excited to see this project come together after the years of community support! CMP-Carmichael staff continue their strong support of students as we provide Distance Learning. In the upcoming weeks, students will complete their final diagnostics of the year. The results of the diagnostics will inform our instructional plans for the future and we look forward to seeing the amazing progress our students have made this school year!
