COMMENTS:

Last week the CMP Orangevale team celebrated Teacher Appreciation Day with a virtual Taco Tuesday staff meeting. Team members dressed up and shared the ways that they had been acknowledged by their students and parents.

Our teachers have continued to create dynamic and innovative lessons for our students to access via Distance Learning. TAs have created bee keeping videos, cooking videos and various cultural lessons (see landforms picture attached) that are offered in the google classroom. Teachers are connecting with their students each day via zoom meetings have continued to reach out to families who haven't participated.

Our middle school team is planning the 8th grade graduation parade. The parade will be held in the car loops at the CMP Orangevale Campus. Students will stay in their cars but the teachers and administrators will celebrate them by waving signs and handing out their certificate.
