COMMENTS:

The American River Campus has an amazing staff! This past month has been a whirlwind with shifting to a Distance Learning Platform. All staff have been engaged with getting our students the tools they need to be successful at home. Our team has truly focused on creating connections, providing academic rigor, and establishing new routines with our students and families.

In addition, the construction timeline has been moved up and we are hoping that all of the renovations to our buildings and outdoor areas will be completed before school starts!
