COMMENTS:

September has been an exciting month as we are approaching *normalization* in the classrooms. We had our Annual Cardboard Challenge last week and our students were able to design and create arcade games made from cardboard. It was wonderful to see the students at all grade levels so engaged with this *STEAM* activity.

We are also in full swing of *Instructional Rounds* where the Principal and Dean have scheduled visits in the classrooms to provide support and feedback to the teachers. Our goal is to keep the focus on learning in the classrooms and to equip our teachers with all the tools necessary for success. Our Director of Program has also visited our campus to participate in the *Rounds* with us.

We have also been very busy with the planning of our Annual Harvest Festival. It's a fun-filled event with plenty of games, food, and silent auction items. We also have a spectacular chili-cook-off and Haunted House that is hosted by our middle school students. Please join us on Friday, October 25th from 5:00 to 8:30 pm!
