Holiday Market / Dec 6		Classrooms
Intel PC Pals		Technology - used for Internet & phone in library / replacements of 2 nd laptops

COMMENTS

The Orangevale Campus has been busily preparing for the start of the school year! In addition to the standard classroom preparations, construction has begun on the raised bed garden to commemorate Ms Lucy, our science and reading intervention teacher. The students will be helping with planting, once the physical structure of the garden is complete. The garden was designed as a place where students can continue to learn about nature and enjoy a native plant garden. Teachers are looking forward to our upcoming Meet and Greet on Tuesday, August 13th from 3:00 to 5:00, and the start of school year on August 14th. Families are excited for the opportunity for the school breakfast to be starting on the first day of school.
