COMMENTS:

It has been an incredibly busy summer at American River! Several large projects have been completed: resurfacing the large retaining wall at the rear of the campus and installing a portable at the end of the quad area. Both projects turned out beautifully and we could not be happier with the results.

All classrooms have gone through deep cleaning and deep dusting in preparation for the students' arrival on August 17. The office admin staff have been quite busy with getting everything ready for the fall; RaDene has also been very busy in terms of interviewing and hiring exemplary credentialed and classified staff.

Club M staff and students have had a fun-filled summer with crafts, parades, plays and water fun.
