Campus Happenings:

Our enrollment has leveled off, with new students being added in the Tk, K, and 1st grades only.

Observations show students already engaged in their work with classrooms well on their way to Normalization.

The first CAC meeting was held and plans began for our first big family event – the Harvest Festival.

Parent trainings have occurred for Reading Parents and for our new music program (Boom Whackers).

In a few days we will hold a Math Parent Education presentation. Teachers from the different curriculum levels will demonstrate Montessori math materials to show parents the progression in math.

Our first Early Release Day Professional Development was with our CMP Behaviorist to give information and strategies to teachers and TA's when working with their students with more severe behaviors.
