COMMENTS:

As September winds down and October begins, normalization is happening at the American River campus. Class routines, Montessori Work Time, lessons, and projects are well underway. With the addition of our PE teacher, students are working to improve their physical agility while building stamina and skill in a variety of team centered activities. Enrichment programs have begun in Club M with guest speakers including police officers and firemen. September Club M academic enrichment focused on the study of apples while October's studies will center on pumpkins. Our community is gearing up for our annual October Harvest Festival which includes a Silent Auction, Chili Cook-off and Haunted House. We are excited to welcome volunteers to our campus beginning the first week of October. Finally, we are fully moved in to our portable and finding the extra space to be a fabulous addition to our campus.
