Though a short month, December is jam-packed with a lot of activities! The middle school students started the month by hosting the Middle School Dance. The theme was Black and White and it seemed like everyone had an awesome time! After working hard to prepare for their big event, the students then participated in the Middle School Shadow Days. The Upper Elementary students are putting the final touches on their Wax Museum projects and will be sharing their presentations with students at both sites. Students gathered on Wednesday, December 7th for our Trait Assembly. The Character Trait of the Month is Compassion. Students in the Diamond Class at the Elk Grove site performed a song called With My Own Two Hands and made cards with a tracing of their hands for each student at the EG site. The Quartz classroom recited a poem and performed some fun dance moves to share their idea of Compassion at the Bradshaw site.
