**Campus Happenings:**

Beautification continues in the classrooms in preparation for the WASC/AMS re-accreditation team visit. The teachers are thrilled to have additional funds in order to purchase items to make their classrooms even better!

We have scheduled a parent workday this month to assist us with cleaning walls & doors, doing touch-up painting, and the like.

Parent tours continue, with most interested families already familiar with Montessori. We have had three daytime tours of over 20 parents each, and an evening tour with more than 40. It is wonderful to see so many families interested in our program!

Our Club M program has continued to develop, with special enrichment classes that students may sign up for, and exciting themed Intersession activities to entice our students/parents to sign up when school is not in session. Although the majority of our families have either a stay-at-home parent, or have other family members to do after-school care, we have increased our enrollment numbers in Club M this year.
