Campus Happenings:

The Orangevale Campus has settled down now that the accreditation visit is over, we have returned from the AMS conference, and spring parent/teacher conferences are completed.

The WASC/AMS visit went very well. I was so proud of how the classrooms & campus looked, and to hear what a good impression was made on the visiting team by the students and teachers. It felt wonderful to be told what a strong community we have at the Orangevale Campus, although I already know that!

Our World Fair (Continent Party) was very successful. The upper grades focused on their Social Studies area of study, bringing in ancient civilizations to the event, while the lower grades each had a continent to highlight.

We are looking forward to many enjoyable events coming up, including field trips, milestone trips for the 5th & 6th graders, and immersion trips for our 7th graders. Our 5th annual variety show is scheduled in early May, which is always a treat.

The CASSPP testing will be a big focus for the students and teachers, of course, and this year there will be a technical run for the science testing, so no results will be generated.

We are all looking forward to the spring intersession and getting a much-needed break from the busy schedule we have had so far this year.
