TOTALS	
<b>Response to Intervention:</b>	67
<b>English Learners: Annual</b>	4
Initial Testing	6
<b>Students on IEP's: Total:</b>	33
Academic:	20
Speech/Lang:	14
OT:	14
Behavior:	4

<b>HUMAN RESOURCES EMPLOYMENT NEEDS:</b>	
--	--

**Campus Happenings:**

Spring Intersession is behind us, and State testing began. Since we are a smaller school, we were able to do everyone at the same time and completed it in 4 days. A disadvantage to being small, however, meant every available space was used for small group testing, including my office and the Dean's. The San Juan preschool on site kindly rescheduled their fire and lockdown drills so we would not be interrupted during testing. We all do what is needed to ensure the best possible testing environment for the students.

Spring field trips are happening, as well. Classes have gone to a farm and milked a goat, others went to Sutter's Fort, and coming up is Camp Sea Lab, Coloma, and Westminster Woods. The students under the tutelage of our science teacher are studying the signs of spring in our prolific hallway garden.

We are getting ready for the end of the school year with our second annual Moving-up Ceremony. Orders have been placed for our second middle school classroom, the lottery is completed, and classroom configurations are being worked on for next year. We will only have one teacher leaving us, but she will be around as a substitute. Ms. Elayne is pursuing her Guidance Counselor degree, and she must put in many hours working at high schools during the day. We will miss her, but are thrilled that now there is a place for Ms. Kristin to remain with us. Her Tk/K class will become a K/1 classroom. And of course, we add another middle school teacher. Ms. Jen has been Ms. Carrie's TA this year. She is credentialed and has already been working on her Secondary I Montessori training.

I am very excited for next year, as the Orangevale Campus continues to flourish!
