COMMENTS:

The start of school has been very smooth. Our first early release day was very successful. Jonathan Wolff spent the afternoon with staff in an interactive workshop exploring ways to promote effective communications with parents. That evening Mr. Wolff continued educating our parent community by facilitating a workshop focusing on ways to foster positive communication between home and school. All Back to School Nights were completed in August and the turnout at all grade levels was very high. Computer deployment is underway and teachers have begun accessing the technology assisted programs.
