### COMMENTS:

We are gearing up for our annual Harvest Festival, which has become also a time for alumni to return and say hello. Two planning meetings have already happened, with two more on the books. The Middle School Team had an extremely successful first immersion trip to West Minster Woods. There was much positive feedback from students, parents and staff. Our campus conducted a Peace Walk which coincided with September's Principal's Café so many parents stayed to watch this annual event. With the normalization period coming to a close at the end of September, volunteers have been coming to classrooms to help with reading, spellings, job creation, art, etc. Early Release Days have been productive with vertical and horizontal planning, grade level team review of universal assessments and CCAASPP scores.
