COMMENTS

The staff has really been enjoying the focus of our Early Release Day Professional Development. Last Wednesday they dedicated time to discuss the results of the CAASPP Testing, Common Core Standards, and the blending with the Montessori Philosophy. The majority of our teachers have also signed up for the series of Math Workshops that the Sacramento County Office of Education is hosting over the next several months.

We are excited to be cheering on our JV and Varsity Boys' Basketball teams. Their first games in our home gym were exciting to watch, and we were all really quite impressed with the boys' skill sets. It was fun to open the gym's metal rolling door and set up bleachers for extra seating! And the snack bar offerings through the gym's roll-up kitchen window added to the spirit of the entire event.

We have new signage! Mr. Bowman ordered and oversaw the installation of two new signs on our main building. The 3D metal artwork is quite stunning (photos below)!
