COMMENTS

With the return to school, we have several exciting things on the horizon:

- Re-enrollment Surveys are going out in order to gather information for planning for classroom configurations for the 2016-2017 School Year.
- We are conducting tours and distributing lottery forms to prospective parents for the upcoming school year (number of applications for 2016-17 are now being tracked above in the lottery section).
- Teachers are busy preparing First Semester Report Cards, along with new assessment information, reports on student progress, and samples of student work.
- Montessori lessons are honing in on our science curriculum as the whole school gears up for our annual Science Fair.
