COMMENTS:

It will be a very busy March on the American River Campus. We continue with our prospective family tours, averaging 25+ attendees. Our middle school students will be completing their Steinbeck studies by heading down to Monterey to explore the Steinbeck Museum and Monterey Bay Aquarium and finish their immersion trip with a kayak tour in the bay. This month our upper elementary students will have the privilege of meeting author Keith Hemstreet and receiving a signed copy of his latest book. Our 3rd through 8th grade students are beginning to take their practice CAASPP tests in anticipation of the testing window opening after spring break. Teachers will be busy completing progress reports in preparation for Spring Parent/Teacher conferences. When spring break arrives, without a doubt, teachers and staff have earned the respite.
