CMP Carmichael held our Cultural Fair at the end of February and the students and families enjoyed an evening of visiting all of the kindergarten and lower elementary classrooms to see their display of “cultural” work. The upper elementary students participated in a wax museum and the middle school students displayed their rollercoaster physics projects during this event. The campus was bustling with excitement on that evening, as the students visited all of the classrooms to get their “passports” stamped. Last week, our campus had a large scale beautification day and spruced up the campus with new landscaping and bark.
