## COMMENTS:

I am happy to report that CAASPP testing for all students in grades 3 through 8 has been successfully completed. The past several weeks have kept everyone, staff and students, very, very busy. Upper Elementary students did a fabulous job researching material and personifying a notable person in history at their Wax Museum presentation. Middle School students, working in small groups, put in tremendous effort on their roller coaster projects. Primary teachers opened their classrooms for a well attended Watch Me Work night. April and May are the months for outdoor education experiences at American River: our Upper Elementary students travelled to Mission Springs in April, and our Lower Elementary students will be heading to Raley Field in May. Principal Café's have been held each month with a healthy parent turn out. Finally, the end of April saw a dedicated group of parents, students and staff volunteering on campus for a Saturday Gardening Day. The Peace Garden at the front of the school was spruced up with new plants and fresh bark.
