COMMENTS

On Friday, August 29th our school celebrated Maria Montessori's birthday in a variety of ways. We had a school-wide morning assembly, featuring Maria Montessori and after school, the primary classes had an ice-cream social. Last week, our students learned about Maria Montessori's life and how the Montessori Methodology provides a unique learning experience that cultivates independence, self-direction and critical thinking skills. We have started planning our Annual Harvest Festival, which will be held on Friday, October 24th.
