HUMAN RESOURCES EMPLOYMENT NEEDS: TA & CTC SUBS

Campus Happenings:

Our two Back to School Nights were well attended beginning with a general meeting with me. I gave a brief history of CMP and shared our new Mission Statement. I also discussed how parents can be models for their children by being responsible, safe & respectful: following the process for our loops, being on time and having good attendance, following our uniform policy, and having healthy food for snacks and lunches.

The first pancake breakfast was huge! Families ate both in the Gibbons Room as well as on the lawn outside. It was enjoyable to walk from table to table and greet everyone. This year some classes will have dinners instead of breakfasts so those parents unable to attend in the mornings can participate. This was decided following a parent survey about our campus events.

Many events are planned for this year. In lieu of a breakfast or dinner, certain classes will plan and host an event, such as bowling, roller skating, or miniature golf. A long list of upcoming events and activities are listed on our website, so families have options for how they want to participate. Each of these will bring in a few hundred dollars to the hosting class to use where needed: books, care of class animals, field trips, etc.

Coming up next is our annual Family Fitness Night. Different presenters are stationed around the small gym, talking about various subjects, such as nutrition, workout routines, yoga, and the like.
