### COMMENTS

The campus community is excited to see the daily progress on the construction project in our backyard! Students and staff frequently peak out the windows or through the fences to watch the concrete foundations being poured, the steel beams going up, and the roofing sections being lifted and craned into place. The new gymnasium building is really taking shape and the path between the two sections of the campus beautifully winds through the oak trees connecting the properties.

Teachers are putting the finishing touches on Fall Progress Reports and are preparing to meet with parents and students this week. Students will have a chance to showcase their work and their progress so far this school year. They will highlight their work in the Montessori curriculum along with their progress in Accelerated Math, Math Facts in a Flash, Accelerated Reader and Rosetta Stone. Students are also eager to take their parents by the Scholastic Book Fair to pick out new books after their conferences.

We wrap up our month with our annual World Fair Celebration where students will share country research projects, cultural art activities, and cuisine from countries around the world. We look forward to celebrating together as a school community.
