After a rejuvenating break, the staff, students, and families are ready for the “New Year”! We are starting off with our High School Open House on Friday, January 9th. A semi-annual event, high schools from around the area (traditional, charter and private) set up a display table to share information about their programs with the students and their families. We also have several family events planned this month, including our Winter Glee Club Concert on January 24th, Family Movie Night on January 30th, and our Middle School Crab Feed on January 31st. Our Focus Trait of the Month is Kindness. We will be discussing this trait in more detail at our monthly BEST Assemblies on January 12th. And lastly, we are getting ready to begin our fundraising campaign for our Healthy Gardens Project at the Bradshaw site. We are working with Healthy Planets USA to develop a sustainable garden.
