COMMENTS

Our 14th annual Science Fair was a very well-attended event! Students, parents, grandparents and teachers toured each classroom taking in all of the incredible science experiments, projects and display boards. There were lots of hands on activities to explore and analyze. The Middle School "wow"ed with their human body displays. And the most popular activity in the K/1's was the timeless paper cup phone system connected by a string! ☺ They say "a picture is worth a thousand words"
