Campus Expansion Update

The parking lots are being striped, the landscaping is going in, our personalized bricks are ready to be inlaid, and the finishing touch-ups are in the works in anticipation of our May 12th walk through with the contractors. Now the ordering of furnishings begins! While we're moving all of our materials and quite a bit of our furniture to the campus expansion, we are also taking this opportunity to replace some of our older shelves and a few other pieces. With the expansion of a Library in the 9-12 building and a Science Center in the Middle School, we will also be ordering furnishings for those rooms. We are all looking forward to moving into our new classrooms and offices!

Lotteries for the 2015-2016 School Year

The first Kindergarten Lottery was completed last month and we have been enjoying the visits from our new students and their families as they come by the school to pick up their enrollment packets. Our Kindergarten teachers will be visiting many of the local Montessori Preschool Programs to spend time with our new students and observe them in their current preschool settings. This is always a rewarding experience for us as we get to see our new students in the environments where they are comfortable and it allows them a chance to meet us in familiar surroundings.

Charter School Advocacy Day

I had the opportunity to join the charter school leaders, parents, and students at the annual Charter School's Advocacy Day at the State Capitol earlier this week. We reviewed current legislation related to charter schools and met with our Assemblymembers and Senators to advocate for our schools. In particular, we expressed our support for legislation that would provide low-interest loans to charter schools for facilities, so we can spend more of our money "in" our classrooms than "on" our classrooms. The advocacy day was sponsored by CCSA and was very well-organized and productive!
