2020-21 Phase Three: Professional Development Plan for Schools

The purpose of this diagnostic is to support the school in designing and implementing a professional development plan that aligns to the goals established in KRS 158.6451 and the local needs assessment. The basis of the professional development plan aligns to [704 KAR 3:035](#), which states the following:

Annual Professional Development Plan:

Section 2. Each local school and district shall develop a process to design a professional development plan that meets the goals established in KRS 158.6451 and in the local needs assessment. A school professional development plan shall be incorporated into the school improvement plan and shall be made public prior to the implementation of the plan. The local district professional development plan shall be incorporated into the district improvement plan and posted to the local district Web site prior to the implementation of the plan.

Section 3. Each school and local district professional development plan shall contain the following elements:

1. A clear statement of the school or district mission
2. Evidence of representation of all persons affected by the professional development plan
3. A needs assessment analysis
4. Professional development objectives that are focused on the school or district mission, derived from the needs assessment, and specify changes in educator practice needed to improve student achievement; and
5. A process for evaluating impact on student learning and improving professional learning, using evaluation results

1. What is the school's mission?

See Attached Professional Development Plan

2. The needs assessment provides the framework for **all** schools to clearly identify their most critical areas for improvement that will be addressed in the planning process through the development of goals, objectives, strategies and activities.

Based on the most critical areas for improvement identified in the completed needs assessment per [703 KAR 5:225](#) (3), what are the school's **top two priorities** for professional development that support continuous improvement?

See Attached Needs assessment

3. How do the identified **top two priorities** of professional development relate to school goals?

See Attached Professional Development Plan

4a. For the first priority need, what are the specific objectives for the professional development aligned to the school goal(s)? Consider the long and short term changes that need to occur in order to meet the goal.

Objective 1 Reading: Ensure curricular alignment reviews are an ongoing action of the PLC's planning process and to ensure that vertical curriculum mapping is occurring to identify instructional gaps, including planning for the introduction of the standard, development and gradual release phases, and arrival at standards mastery. See Attached Professional Development Plan for more details

4b. What are the intended results? (student outcomes; educator beliefs, practices, etc.)

See Attached CSIP Plan

4c. What will be the indicators of success? Consider the completed actions or markers that need to occur that would indicate the goals and objectives have been achieved.

See Attached CSIP Plan

4d. Who is the targeted audience for the professional development?

See Attached Professional Development Plan

4e. Who is impacted by this component of professional development? (students, teachers, principals, district leaders, etc.)

See Attached Professional Development Plan

4f. What resources are needed to support the professional development? (staff, funding, technology, materials, time, etc.)

See Attached CSIP Plan

4g. What ongoing supports will be provided for professional development implementation? (coaching, professional learning communities, follow up, etc.)

See Attached CSIP Plan

4h. How will the professional development be monitored for evidence of implementation? Consider data (student work samples, grade-level assessments, classroom observations, etc.) that will be gathered, persons responsible and frequency of data analysis.

See Attached CSIP Plan

5a. For the second priority need, what are the specific objectives for the professional development aligned to the school goal(s)? Consider the long and short term changes that need to occur in order to meet the goal.

Objective 2 Math: Ensure curricular alignment reviews are an ongoing action of the PLC's planning process and to ensure that vertical curriculum mapping is occurring to identify instructional gaps, including planning for the introduction of the standard, development and gradual release phases, and arrival at standards mastery. See Attached Professional Development Plan for more details

5b. What are the intended results? (student outcomes; educator beliefs, practices, etc.)

See Attached CSIP Plan

5c. What will be the indicators of success? Consider the completed actions or markers that need to occur that would indicate the goals and objectives have been achieved.

See Attached CSIP Plan

5d. Who is the targeted audience for the professional development?

See Attached Professional Development Plan

5e. Who is impacted by this component of professional development? (students, teachers, principals, district leaders, etc.)

See Attached Professional Development Plan

5f. What resources are needed to support the professional development? (staff, funding, technology, materials, time, etc.)

See Attached CSIP Plan

5g. What ongoing supports will be provided for professional development implementation? (coaching, professional learning communities, follow up, etc.)

See Attached CSIP Plan

5h. How will the professional development be monitored for evidence of implementation? Consider data (student work samples, grade-level assessments, classroom observations, etc.) that will be gathered, persons responsible and frequency of data analysis.
