BOOSTER CLUB

2025 - 2026

# Saints Fans,

I'm Bob Cole. My wife Melissa and I are honored to have the opportunity to lead the Golden Saints Booster Club again this school year!

As a BCS fan and parent (Presley '22, Bella '23, and Cross '27), we are approaching my favorite time of the year. I love the beginning of the fall sports season, and our student athletes are preparing to compete in seven different fall sports. With the Petree Athletic Center ("The PAC" as it is lovingly referred to), our student athletes are getting stronger, faster and better in one of the best training facilities in the state. The PAC enables our BCS athletes to train and compete at the highest level. If you haven't had a tour of it yet, reach out to me and I can get one set up for you - you'll be blown away!

The 2024-2025 school year was another great success for Briarcrest athletics as we had 18 student-athletes sign to play at the collegiate level and had 4 teams win their region! We also launched a well-represented inaugural BCS Athletics Leadership Academy! A couple of additional highlights....

- Cheerleading - TSSAA Large Varsity Gameday State Champions
- Basketball - State Runner Up, just falling short of back-to-back State Championships
- Volleyball - State Runner up, also so close to going back-to-back
- Baseball - Completed an undefeated season in district play, ultimately reaching the State Tournament. After winning State last year, they have solidified themselves as a dominant force in the sport.

Briarcrest is one of only eight Memphis and Shelby County schools to win championships in the four major boys sports (football, basketball, track and field, and baseball) in the 140-year history of interscholastic sports. Also, in a recent article from USA Today Sports, Briarcrest was named as the #3 High School (public/private) in the state of Tennessee for High School Athletes.

As we prepare for the year ahead, Melissa and I look forward to seeing our support continue to grow. Our goal is to have every parent and/or grandparent involved at some level. We enjoyed a great time last year with a Fall Sports Kickoff and will have another one on August 7th. Details coming soon.

GoFan will again be our platform for ticketing and membership packages. A few details to note:

- GoFan will handle renewals for all Booster Club Membership, and it will be used for all sporting events (both passes and single game purchases.)
- If you purchase a membership package that includes a parking pass, it will be distributed at the Fall Sports Kickoff.
- Join now to ensure that you have a comfortable chair-back seat for the Friday night football games!

This is an exciting time for our school. Briarcrest has ONE CAMPUS, ONE SCHOOL for all sports and all ages. No other school in the area has that. Come out to support all the Saints this year!

Melissa and I look forward to seeing everyone in the fall as we kick off another season to support the Saints.

Blessings, and Go Saints!
