

Senate Bill 792 (SB792)

In the San Mateo-Foster City School District, our most important goal is encouraging our families to be actively involved in their child's education and this starts in preschool!

Thank you for taking time to better understand the importance of submitting your proof of vaccines per **California State Senate Bill 792**. This law requires any parent, guardian, grandparent, au pair, nanny, etc. wishing to enter a preschool classroom for any reason (including: volunteering, classroom activities, projects, field trips, etc.) must provide proper documentation.

Proof of the following immunizations is required:

- ✓ **Influenza (A current vaccine)**
- ✓ **MMR (Measles, Mumps, Rubella)**
- ✓ **TDaP (Tetanus, Diphtheria and Pertussis)**
- ✓ **TB Skin Test (Tuberculosis)**

I know that this law is surprising for some families, but we are mandated to follow the guidelines from the State.

Please visit our district website for additional information and resources that might also be helpful: www.smfcsd.net/preschool

Thank you for your help and feel free to call me with any questions and please let me know if you need further clarification or assistance. We appreciate everyone's prompt attention to this important requirement.
