Principal's Message

We are only approaching a month into the school year and each day I learn more about the unique learning and extra-curricular opportunities that Lakewood High School has to offer. Please encourage your child to become part of the Ranger community by taking advantage of the numerous opportunities that our staff offers. Students who emerge themselves into the school community do better academically, socially, and emotionally.

Over the last month I've also identified areas that we, as a school, need to improve upon. Punctuality to school is an area of concern that impacts the learning of each student and those of others. Although the school bell schedule states that school starts at 8:00 a.m., students need to arrive well before that to make sure they are seated and ready to go by that time. I highly recommend that students arrive no later than 7:50 a.m. to allow time to get to their lockers, get needed materials, and arrive to their first period class before the bell rings to start instruction. Students with late arrival should also plan to arrive at least ten minutes prior to the start of second period. Being late to school causes the student to lose out on valuable instruction and also disrupts the learning of others as they arrive late to class. Thank you for helping teach our children the life skill of regular attendance and punctuality. Traits that every employer is seeking.

Students not having their school I.D.'s at the start of the school day is also an area where we need to improve. As with most companies these days, an I.D. has become part of the job requirement. Too often students have become accustomed to "just getting a temporary ID." However, this practice would not be accepted in a job situation, slows down entry to the school, and reduces the safety factor a photo ID provides. We will be ramping up our procedures for making sure each student has a visible school ID and addressing those who frequently do not have theirs. Safety is my first concern each day. Please encourage your child to make sure they help keep us all safe by following all safety procedures including school ID's.

Thank you for supporting students in their academic growth, their social and emotional learning, and safety.

PTA
everychild. onevoice.

Dear LHS Student Caregivers:

We're excited to welcome everyone back for another school year. We want to make sure that 2018-19 is the best and most successful year for LHS students. You are invited to join the LHS PTA on this amazing journey.

I am Missy Toms, and I want to tell you a story about my journey with PTA. I grew up in a semi-rural community outside Pittsburgh. Our small district didn't have opportunities for parents to engage with the teachers and administrators at the schools. No PTA. No voice for parents. No funding for activities that enhance a student academically and personally.

My first introduction to the PTA was at Lincoln Elementary. I was blown away by the level of our parents' involvement and the commitment to funding special experiences like field trips, classroom materials, and school beautification. PTA made a good school great.

And that's what PTA does for Lakewood High School. Your **LHS PTA membership** and **gifts to the Painless Project** fund:

- Teacher classroom grants
- After Prom
- Student Council
- Fresh Start
- Student clubs
- Teacher conference dinners
- H2O
- Scholarships
- Senior Reception

Imagine Lakewood High School without all these activities that help make Lakewood not just good, but incredible.

We invite you to attend our first meeting, **Tuesday, September 25, 7 pm**, in the Ranger Café Classroom. This is your opportunity to be an active member in the Lakewood High School Community.

For the most up-to-date information, "like" the *Lakewood High School PTA* Facebook page. Any questions? Email us at lakewoodhighschoolpta@gmail.com.

Thank you, and we look forward to working with all of you.
