Principal's Message

It is hard to believe but we will soon be coming to the end of the first quarter of the school year. If you haven't done so yet, please make sure you can login to Progressbook, so you can monitor your child's progress. Most of our students are doing well academically, attending school regularly, showing up on time, and completing their assignments. Doing these things will support their graduation requirements and give them the needed skills to be successful in the next quarter and into the future.

If your child is not meeting the requirements of the courses they are taking, now is the time to turn that around. Students who make the following a daily habit find more success academically, score better on end of course and college entrance exams, and are better prepared for the rigors that wait for them next:

1. Arrive to school by 7:45 a.m. to allow time to get their needed materials, socialize, and be in class ready to go before the 8:00 a.m. tardy bell.
2. Keep track of their assignments by writing them down or keeping an electronic calendar.
3. Use study hall time wisely. Students may have up to 200 minutes a week to get work done.
4. Seek out help from their teachers. If there is confusion our teachers are happy to help clarify any misunderstanding.
5. Make school a top priority. There are ample times for social and extracurricular activities, but school work should come before that.

Thank you for being part of our partnership to help all students achieve success.

Please Help Keep Our Traffic Moving Quickly and Safely

Thank you to all our drivers who follow the new drop off patterns each and every day. From the feedback given the traffic flow is much smoother this year, with less back up on Robinwood and Franklin. We are very appreciative of those who make everyone's life easier by pulling as far up as possible and waiting to disembark in the drop off zone.

As a reminder the proper traffic drop off area is all the way up the drive past the Civic Auditorium. Please follow the signs and note the yellow striped drop off zone. The further you pull up the more students we can get unloaded at a time. This means there is less traffic back up and the traffic moves much faster. Under no circumstance should students be dropped off on Franklin or in front of the main part of the building.

We are aware that by pulling further up students will need to walk a little further to the main entrance. Students may enter by either the flagpole door or the bookroom door. Students who are dropped off prior to the drop off zone create backup and it sends the message that rules don't need to be followed. Thank you for helping keep our traffic flowing and keeping our students safe by following proper drop off procedures.

SUPERINTENDENT'S MESSAGE

What a blast I am having getting to know all the wonderful students, staff and parents! Thank you for being so welcoming as I continue to acclimate to the District and get to know everyone!

I have just scratched the surface in learning about all the great things happening in the District and all the accomplishments by our students. I would like to congratulate the 83 Lakewood High students and 2018 graduates who were recently recognized as AP Scholars. I would also like to congratulate our three National Merit Commended Scholars: seniors Nicholas Cleary, Timothy Daso and Andrew Sheldon. These three young men were among the top 5% of all PSAT scorers their junior year. Congratulations to all!

I would also like to announce that I will be holding monthly Listen & Learn sessions beginning in October. These sessions will be a one hour, open discussion format held at various times in the day and various locations across the city. Please feel free to stop by any time during a session and sit and talk with me about your likes, dislikes, concerns and hopes for the future for Lakewood City Schools. A schedule will be publicized soon so keep an eye on your inbox, our website and social media.
