Principal's Message

During the holiday season we are barraged with gift ideas through email, TV, radio, and hard copy advertisements. It seems like we are all being challenged with finding that perfect gift to bring the receiver happiness.

I would like to suggest that one of the greatest gifts you can give to your children is the support you give to, so they receive a well-rounded education. As Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world."

Why is education so important? Education is so important for success in life. Education is important for the personal, social and economic development of our nation. Education is important to live with happiness and prosperity. Education empowers minds that will be able conceive good thoughts and ideas.

Education gives our children the skills they need to analyze situations while making life decisions. Life gives us many challenges and those with a good education have the skills and experiences to take on those challenges and grow from it.

In conclusion, when looking for that perfect gift don't forget to look down the aisle that contains a good education. In that aisle you will find items such as, getting to school daily and on time, making school assignments a priority over social and entertainment activities, studying for midterms and tests, reading for pleasure, limiting screen time, and finding joy in learning new things about our world.

Wishing you a Merry Christmas and Happy Holidays with your family and friends!

Drop Off and Pick Up Reminders

As the winter weather is starting to increase, we have more students being dropped off at school in the morning and picked up after school. To keep our students safe, be respectful of our neighbors and to move traffic efficiently, please follow these driving procedures:

1. All students being dropped off at school should do so in the front of the building from Franklin.
2. Only students arriving in the school vans and students with disabilities are permitted to use the south side of Robinwood behind the school.
3. Students should never be dropped off on Robinwood or neighboring streets and cars are not permitted to turn around in our residents' driveways. This is dangerous and not respectful of our neighbors' property.
4. When dropping off in front of the school please pull up as far as possible. This keeps cars from backing up on Franklin and reduces safety concerns.
5. Drop students off only in the designated drop-off zones. When a single car drops their students off early a chain reaction is created and multiple cars follow suit. This creates a major backup and slows traffic down for everyone.
6. Unload and load quickly. The faster we enter/exit the car the faster we all move forward.
7. Please be patient. In general, it takes no more than 30 seconds for cars to unload and begin to pull out of the lane. Waiting patiently is far better than creating a situation where a student could get injured.
8. Be kind and respectful to all of our drivers. We all want the same thing and that is to get our children to school safely and on time.

Arrival Clock – Reminder

Doors open to let students in the building. This is the time you should plan to arrive to school. Gives each student plenty of time to arrive to class an be prepared for learning.

7:55 a.m. is the very latest students should arrive at school. Students arriving at this time will be rushed but can make it in time to class if they hurry.

Students arriving at 7:56 a.m. or later will almost certainly be late for class. They may still enter the building but by the time they go to their lockers and get needed materials they will be tardy to class. They will lose valuable instruction and disrupt the learning of others.

SUPERINTENDENT'S MESSAGE

During these next few weeks leading up to the holidays, the talent and dedication of many of our students and musical directors will be on display through the various winter concerts and performances being held throughout the month. It's a perfect time to bring the family to hear some outstanding music either for free or for a just a few dollars. Of special note is our annual Sounds of the Season concert, which brings our top high school music ensembles together for a magical evening of holiday music. There are two chances to catch the show, December 13 & 14 at 7:30 pm in the Civic Auditorium. You can find the schedule for all the winter concerts on the Performing Arts page of our web site: http://www.lakewoodcityschools.org/Content/798

I have enjoyed the two Listen & Learn sessions so far. It's been great to hear from our parents and community members! If you haven't attended one yet, the next session will be on January 24 at noon at the Lakewood Panera.

Finally, I wish every family happy and healthy holidays!

LAKEWOOD HIGH SCHOOL SEMESTER EXAM SCHEDULE 2018

On December 18, 19, 20, 2018, Lakewood High School will be administering semester exams to all grades. These are 90-minute exams, which are very important in determining final grades for first semester classes. Please encourage your student(s) to do well on the exams. **Please be reminded that athletic eligibility for third quarter is based on the second quarter grade, NOT the midterm exam or the final grade for first semester classes. Please advise your student(s) to be aware of his/her second quarter grades. All LHS policies/procedures are in effect, including the dress code.**

Students will participate in an open exam schedule **unless you contact your student's House Office by Monday, December 17, indicating you want him/her to remain on campus during open exam times**.

It must be understood that students who are excused from school are the responsibility of the parent/guardian. Students must also agree to leave campus and to conduct themselves appropriately in the community during the open exam schedule. Students are encouraged to use the time to study at home.

If permission to leave is not granted by the parent, the student must report to study hall in the Cafeteria during non-exam periods. Lunch will be served on all three days.

School Counseling News

Seniors!!

This is a reminder to **seniors** to have at least one conference with your school counselor to review high school records and discuss post-high school plans. Seniors should be completing college applications at this time and requesting transcripts through Naviance. The Transcript Request Form can be found in the School Counseling Dept. There is a $4.00 transcript fee per school and can be paid in the School Counseling Dept. by cash or check or by debit/credit card in the bookroom.

******APPLICATION DEADLINES******

Early January college application deadlines must be met, and Transcript Request Forms completed and submitted through the School Counseling Dept. **by 12/14/18 and before students leave for the winter break, 12/20/18.**

Remember, we have Mrs. Pam Sandoval from College now as a resource for financial aid and scholarship questions. Scholarships are continually loaded into Naviance and hard copies are available outside of the School Counseling Dept.

******FAFSA (Financial Aid)******

Please be certain to complete your FAFSA as deadlines are fast approaching. See Mrs. Sandoval in the School Counseling Dept. on either Tues., Wed. or Thurs. and before you leave for winter break.

******PARENTS/GUARDIANS OF SENIORS******

Please ENCOURAGE your senior student to search out scholarships! Every $ adds up. Many scholarship applications only require a few short answers that can turn into $$$. There are several local scholarships that will become available beginning in February. Some scholarships offer $$ that is issued directly to the student. Some scholarship $$ are awarded directly to the school of their choosing. In any case, a buck is a buck!

To all students, parents/guardians:
On behalf of the LHS Counseling Department, we wish you a wonderful winter break!

SUPPORT FOR MILITARY FAMILIES

November was a time to remember our soldiers who keep our freedom. It was also a time to honor those who paid the ultimate sacrifice. December is now upon us and for many of our families their parent may not be able to be around for the holidays. We would like to share some great programs that are available for our military families. We will also post the PDF of the **Educational Resources for Military Families** booklet on the School Counseling website.

The mission of Ohio Military Kids (OMK) is to support the youth of military families throughout the deployment cycle. OMK accomplishes this mission by:

(1) Creating community support networks for military youth "in our own backyard" when they experience a loved one's deployment.

(2) Educating the public on the impact of deployment on a service members' children, families, and communities through awareness building and educational trainings with schools and community organizations.

(3) Delivering recreational, social, and educational programs for military youth in civilian communities geographically dispersed throughout the state.

Scheduling Season Will Soon Be Here!

As you discuss your child's schedule for 2019-20, please review the LHS Course Guide thoroughly. West Shore Career-Technical Education provides learners with the knowledge and skills they need to be prepared for college and/or careers. CTE gives purpose to learning by emphasizing real world skills and practical knowledge within several career pathways.

PTA®

*every*child.*one*voice.®

LHS PTA is in the midst of another year of providing support to our families and staff. **Join LHS PTA** to become a part of our active community and have a voice in how our funds are spent.

LHS PTA support can be found behind the scenes making a difference. Past years' donations were allocated to: 8th Grade Ranger Day, scholarships, Fresh Start, teacher conference dinners, Student Council, Senior Reception and After Prom. We also funded teacher grants to provide material support for our students with science equipment, math programs, and equipment for our West Shore Career Tech classrooms.

Along with your membership, **consider an additional donation to the Painless Project**. *LHS PTA does not do additional fundraising, so instead we ask you to round up your membership of $10 to whatever amount is comfortable for your family.* There's no work involved, and your support goes directly back to our great programs. Your support through membership and the Painless Project enables the PTA to make a difference at LHS.

Your active participation is also welcomed. Please mark your calendar for our next quarterly meeting on **January 29, 2019 at 7pm** in the Ranger Café classroom - accessible via Door 2 near the flagpole. Our last meeting was wrapped up in an hour – we value your time!

2018-19 LHS PTA Members

At our meetings last year, the vast majority of members requested that we list current members, so we can remind ourselves whether or not we mailed in that membership form. Our goal is that all families and staff will participate, thanks for your membership! Special thanks to those members who have participated by adding an additional donation to our Painless Project fundraising. Membership forms may be turned into the PTA mailbox at LHS or to the main office. A link to membership forms can be found at the LHS Website under > Parents > PTA/PTOs > Lakewood High PTA. The Lakewood High School Orchestra's Annual Music Marathon was yet another resounding success. Students worked hard to collect sponsorships and had a grand time playing their instruments for a total of 13 hours on Saturday, November 17th. Highlights included a Tyrannosaurus Rex conducting *Jurassic Park* and Mr. Mark Walter conducting *Hang on Sloopy*. The fundraiser raised a little **over $14,000.00** to help the entire orchestra program.
