January 2019

Principal's Message

Even though we are just beginning the second semester of this school year, we are already looking into planning our next school year. At the end of January we will be meeting with our current 8th grade through 11th grade students to share the 2019-2020 course guide and to begin the scheduling process. This is a time to talk to your child about what classes and programs are the best fit, to prepare them for future academic and career opportunities.

When discussing options for your child, it is very important to consider finding a healthy balance of academic, extra-curricular, employment, and social time. Students today can find themselves over-extended due to excessive academic courses, jobs, athletics, music, etc. The challenge is to take a rigorous course load but to keep in mind all of the other interests your child has. The happiest and most well-rounded students are those who are involved in challenging courses but also have left time to participate in the great extra-curricular options at Lakewood High School.

If your child is thinking about going to a vocational or career-technical program, then a discussion about our West Shore program is warranted. This month, all sophomores will be learning more about the different career-tech programs offered right here at LHS. Where other districts have to send their students out of district for this opportunity, we host a spectrum of West Shore Career Tech programs right here.

Scheduling is never an exact science and part of being in high school is learning where your interests lie. I encourage parents to have meaningful conversations about course selection, how to create a healthy balance, and maybe move out of your comfort level and take an elective you've never taken before. The one thing I do know is that the opportunities to learn inside and outside of the classroom are rich, and that students who take advantage of these opportunities are happier and more successful.

Is there a Lakewood High educator or staff member who has gone above-and-beyond to help your family? Here is your opportunity to recognize their great work!

Every January, the PTA invites you to nominate staff members for the *Educator of the Year* and *Helping Hands* Awards. Please take a moment to submit a nomination and encourage your student to do the same. Forms can be submitted online, through email to laura.whitkofski@lakewoodcityschools.org, or dropped off at the Book Room.

Your active participation is also welcomed. Please mark your calendar for our next meeting on **January 29, 2019 at 7pm** in the Ranger Café classroom – accessible via Door 2 near the flagpole. Our last meeting was wrapped up in an hour – we value your time!

Along with your membership, **consider an additional donation to the Painless Project.** *LHS PTA* does not do additional fundraising so instead we ask you to round up your membership of $10 to whatever amount is comfortable for your family. There's no work involved, and your support and the Painless Project enables the PTA to make a difference at LHS.
