Principal's Message

It is hard to believe that we are nearing the end of the third quarter and we will soon be knee deep in end-of-year academic testing, spring performing arts shows, spring sports, and year-end celebrations. However, along with all of the events on the calendar we cannot fail to remember the importance of focusing on the day-to-day work. Although there are many articles on habits of successful students, I want to reinforce some daily habits that I feel are key to ending the year successfully:

1. **Get Organized**. Making a plan for what you're going to do and when you're going to do it will ensure you're always ahead of the curve.
2. **Sleep.** Don't underestimate the importance of those eight hours of shut-eye every night. Getting a good night's sleep will sharpen your focus and improve your working memory.
3. **Daily Attendance.** Arriving to school with enough time to get yourself prepared for learning and being in attendance each day are critical for academic success.
4. **Study.** Studying and reviewing material several days ahead, in small chunks, and in different manners is the best strategy to prepare for exams. The days you have no, or little, written homework are ideal for preparing for the next test.
5. **Ask Questions.** You're in school to learn, so don't be afraid to do just that! Asking for help from a teacher, a tutor, a friend is a great way to make sure you understand the material. Remember, if you have a question about something, someone else certainly does too.
6. **Find Balance.** The best habit is to find a balance between academics, extracurriculars, work, community, and your social life. Too much of any one area is not productive and healthy. Make sure you find time for each, but focus on what will help you be successful in the future and be a happy, well-rounded person.

Sincerely,

Mr. Walter

SUPERINTENDENT'S MESSAGE

We have been working hard on our exciting new plans for re-use of the space at the former Taft Elementary building. We are finalizing architectural plans that will transform the space into office space for Board of Ed operations, preschool classrooms to allow for expansion to a full-day PreK option, classrooms for our higher education partners such as the University of Akron, and a new professional development center.

If all goes smoothly with the construction process, we hope to have our Central Office staff into the new space beginning January 2020 and the educational spaces ready to go for the open of the 2020-2021 school year.

Thank you to the Board for its support of this innovative project and to the community for providing the important feedback that led us to undertake more expansive preschool and higher education options for our students.

LAKEWOOD HIGH SCHOOL PTA

The Lakewood High School PTA is proud to announce the 2019 Educator of the Year and Helping Hands Award honorees.

Educator of the Year - Gray Cooper
Several students recalled experiences with Mr. Cooper during their freshmen year, each recounting the lasting impact he had on their overall high school experience. That Mr. Cooper remains a "favorite" teacher of the seniors who nominated him years after having them in class says a great deal about his enduring dedication to his students. He makes every effort to connect with students, remains helpful outside of class, encourages students to be positive, and models how to interact with others. Says one student, he "always takes time to make sure everyone is okay." Years after having him as a teacher, seniors seek direction and assistance from him with the college application process. Mr. Cooper is committed to ensuring continued student success.

Helping Hands Award - Michelle Beavin
Michelle is an Educational Aide for the West Shore Career-Technical District in the Transition-to-Work Program. She is recognized for being exceptionally kind and patient with each student she works with. More importantly, it is obvious that the students respond well to her direction and enjoy working with her. There is a genuine reciprocal bond between Michelle and her students. Every day she encourages and motivates them to work hard. It's evident that she cares for the overall development of every student in the program, and she prepares them for their eventual transition to work.

Congratulations, Gray Cooper and Michelle Beavin, and thank you for all you do to make Lakewood High a great place for our students and families. We also want to thank everyone who participated in the nomination and selection process.

Dear Lakewood parents, family and friends,

The Lakewood High School Class of 2019 Prom will be on April 27, 2019! A committee is planning an exciting After Prom party to provide a safe entertainment option for our seniors and their guests after the actual dance and **we need your help!** The fun starts at 11:30 pm and ends at 2:30am and we have lots of great ideas to keep them entertained (we keep the theme and activities a surprise for the kids).

This party is a 40-year-old tradition for Lakewood High School and is funded solely through donations and fundraisers! As you can imagine a party for over 300 young adults can be quite costly, so to make this year's party a success, we welcome any donations you can give. Donations may be in the form of time, money, food, prizes, and "gifts in kind" (see list below). The After Prom is a committee of the LHS PTA, a non-profit, tax-exempt organization – so all your donations are tax deductible! Our tax identification number for your records is 34-6001631.

Some ways you can help:

- You can donate directly on Facebook by going to: Afterprom Fundraiser on Facebook or by mailing a check to the address below
- You can find sign-ups for volunteering, donating items and participating in events at: Lakewoodafterprom.org or via Volunteer and Donation Sign-up Genius
