A Message from the Principal's desk

Each month, I search around me for a topic for the Principal's Message. This month's topic came to me as I was amazed at the talent and the skill I witnessed from our students and staff during the performance of *Mamma Mia.* Although I was duly impressed by the talent on stage, I couldn't help but think how much hard work, time, perseverance, and collaboration went into making this an incredible performance.

I then started to think about all the other academic, arts, athletic, and extracurricular programs that I have the pleasure of seeing each day. I reflected on the amount of dedication, hard work, perseverance, and learning that leads to all the success and awards our students receive. Sometimes, we tend to focus on the end result and forget about the amount of learning, failure, learning from failure, and hard work that occurred before that final award-winning project, essay, or competition. I reflected on the amount of practice our student athletes put in when there are no crowds around, when they are tired, and frustrated - how they keep showing up and persevering no matter what happened the game before.

My thoughts then brought me to reflect on those students and teachers who continue to fight the good fight when learning is a struggle. I am so impressed by those individuals who don't give up when the learning doesn't come easy to them. I see these students seeking extra help before, during, and after school hours. I see the frustration when they "just don't get it." However, I also see the determination and the perseverance in their faces as they don't give up. They just keep listening to their teachers, putting in more time, and putting in more hard work.

The performance I saw Friday night and the performances I see daily don't occur just because someone is good at what they're doing. They come from all the hard work behind the scenes that grows that talent. So, as we close the school year, I want to congratulate all the students, parents, teachers, and staff members who continue to put in the work, never give up, and keep learning so that their talents grow and shine!

Wishing everyone a great end of the year and a happy summer. I hope everyone has time to relax and recharge because soon, as we learned from Hollywood, *Mamma Mia (Here We Go Again!)*

Sincerely,

Mr. Walter

SUPERINTENDENT'S MESSAGE

It is unbelievable how quickly my first school year with Lakewood City Schools has gone by! It has been an amazing journey that I have been so grateful to take together with our students, staff, and families! As we look forward to planning for next year, so many exciting projects are percolating that have me eager to come to work each day. From expanded preschool and post-secondary partnerships to a new strategic vision (stay tuned for this), Lakewood City Schools is ramping up its 21st Century learning model! Thank you for helping make year one such an interesting and memorable one.

It wouldn't be an end-of-year message without wishing our seniors congratulations on their coming graduation and offering our best wishes as they move on to the next chapter of their lives. Those who are continuing on with their education are heading to higher learning institutions as diverse as our students: Cleveland State, Cuyahoga Community College, The Ohio State University, University of Cincinnati, Heidelberg College, University of Southern California, Indiana University, Penn State University, Oberlin College, Lehigh University, and Rhodes College to name a few. We are proud of each of you and we hope you leave Lakewood High with fond memories of your days with the Lakewood City Schools.

UNDERCLASS FINAL EXAM SCHEDULE 2019

On May 30 and 31 as well as June 3 and 4, Lakewood High School will be administering final exams to students in grades 9, 10, 11. These are 90-minute exams, which are very important in determining final grades for each course. Please encourage your child(s) to do well on the exams. **Note that athletic eligibility for Fall 2019 is based on the last quarter's grade.**

All LHS policies/procedures are in effect, including the dress code.

Students will participate in an open exam schedule **unless you contact your student's House Office by Wednesday, May 29, indicating you want him/her to remain on campus during open exam times**.

It must be understood that students who are excused from school are the responsibility of the parent/guardian. Students must also agree to leave campus and to conduct themselves appropriately in the community during the open exam schedule. Students are encouraged to use the time to study at home.

If permission to leave is not granted by the parent, the student must report to study hall in the Cafeteria during non-exam periods. Lunch will be served on May 30, May 31, & June 3.

LHS Counseling News

Schedules will be mailed home in August. Please keep in mind that once students have signed up for classes, they are committed to those classes. Based on student registrations this spring, some classes are not offered, others are expanded, and teachers are re-appointed. Therefore, only schedule corrections will made after June. Corrections include scheduling error, balancing of schedule and summer school adjustment.

The 2019-2020 Course Guide can be accessed online by visiting the Lakewood High School Counseling on the web and by choosing 'Course Guide'

SENIORS

By now, all seniors should have completed the Senior Survey which compiles information regarding postsecondary plans, i.e. request for final transcripts, college, military and job placements. Log into Naviance and indicate what college you will be attending and enter any scholarships applied for and or received. This data will show the community the percentage of students that attend college from Lakewood High School and the amount of money disbursed via scholarships. If you need help with this, please come to the School Counseling Department. Mrs. Pam Sandoval from College Now is a resource for financial aid assistance and questions through Tuesday, May 15, 2019.

JUNIORS

Registration for the June 1, 2019 SAT test date is still open. However, there is a late registration fee. The deadline for late registration by mail is May 14, 2019 and via phone or online by May 22, 2019. Take time to familiarize yourself with Naviance and the Common App to research your post-secondary options.

SOPHOMORES AND FRESHMAN

Look for opportunities to broaden your horizons this summer. Participating in social and academic extracurricular opportunities are a great way to discover new hobbies, interests and potential career paths.

2018-19 LHS PTA Members

At our meetings last year, the vast majority of members requested that we list current members, so we can remind ourselves whether or not we mailed in that membership form. Our goal is that all families and staff will participate, thanks for your membership! Special thanks to those members who have participated by adding an additional donation to our Painless Project fundraising. Membership forms may be turned into the PTA mailbox at LHS or to the main office. A link to membership forms can be found at the LHS Website PTA/PTOs> Lakewood High PTA. After Prom Comes Alive!

Our seniors celebrated their prom on April 27 at the Cleveland Museum of Natural History. Afterward, more than 300 students enjoyed food, fun, games and music into the wee hours of the morning at LHS. A dedicated committee of parent volunteers organized After Prom, which had the theme of Night At The Museum, based on the popular movies.

The parent volunteers transformed Lakewood High into a museum complete with 10-foot dinosaur, life-size Easter Island monolith, Egyptian tomb and more. Over 200 prizes were given out and students could "shop" in the museum gift shop and enjoy a candy bar and photo booth. Students enjoyed bounce houses, singing in the karaoke room, playing laser tag or relaxing in the lounge after having their caricature drawn or getting a temporary tattoo.

The After Prom committee could not have done it without family and community support. Countless parents donated money, time and gifts. Know that your donation was appreciated! We also would like to thank the many local businesses and organizations that generously donated food, prizes, and supplies. We encourage you to support our local businesses who support our youth!
