

# Earn College Credit

**Did you know** West Shore Career-Technical Programs offer students the opportunity to earn college credits similar to Advanced Placement (AP) courses?

**Every** West Shore Career Tech Program offers college credits.

You have **three different ways** that you can earn college credits:

- Receive Tech Prep college credit through West Shore's Northeast Tech Prep Regional partnership
- Apply for CT<sup>2</sup> credit which is a statewide college credit system
- Utilize bilateral agreements that are available with private colleges or other program-specific credit opportunities

Earning college credit requires acceptable performance and attendance in your chosen West Shore program. Individual colleges maintain their own criteria. College credit will not be granted if specific criterion is not met.

In general, most colleges require a 2.0/2.5 cumulative grade point average (CGPA) and a 3.0 in the Career-Technical program.

Required paperwork and deadlines need to be met to earn college credit.

For more information visit our website and click on: College/Post-Secondary Credit

## Culinary Arts

# Dream. Plan. Begin.

# About

**Do you love to cook or bake?** Do you have an interest in working in the food industry or even owning your own restaurant or bakery?

Then Culinary Arts is for you.

This 2-year program is your available junior year. Classroom and hands-on lab training teach you the fundamentals of food preparation, plating and service, and the ServSafe® curriculum will provide you with the knowledge you need for food safety training.

During your junior year, you will be expected to obtain part-time work in a food-related field, outside of the classroom schedule, to help you develop your skill set. You will be expected to continue to work in the industry for a minimum of 200 hours as part of your ProStart Certification.

Senior year, you will gain real-world experience at West Shore's Ranger Café, a full-service restaurant where you and your classmates will be responsible for everything from food prep to customer service.

## Culinary Arts 1—Jr Year

4 periods worth 4 credits

## Culinary Arts 2—Sr Year

4 periods worth 4 credits

Prerequisite: Culinary Arts 1
