

# Transition to Work

**Open to Grade 11  
3 periods per day — AM**

This one-year program is set up to provide job training for students.

Students in the TTW program will work under the guidance of a teacher and aide in a variety of workplace settings within Lakewood High School. Students will be able to experience different settings including in the Ranger Café, the laundry room and the TTW classroom.

This class is designed to be a preparatory class for students who are considering one of the community-based job training programs available after their sophomore year.

A team decision will determine the appropriateness of the program.

## Community-Based Job Training

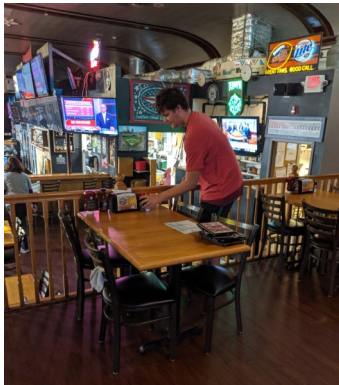

Our community-based job training programs provide opportunities for students to receive instruction in a variety of real-life workplace settings. Students participate in a progression of work experiences aligned with their abilities.

Receiving direction from a teacher, paraprofessional and on-site work mentor, students perform actual workplace jobs.

Each program is designed to help students develop their employability competencies, including:

- Time Management
- Flexibility
- Problem Solving
- Teamwork
- Work Etiquette

A career assessment evaluation is recommended and placement in one of the community-based job training programs is decided upon in a team meeting.
