RANGER ROUND UP

From the Principal's Desk

"If you are going to achieve excellence in big things, you develop the habit in little matters." - Colin Powell

We are now entering our third week of five-day instruction and each day feels more normal than it has in a long time. Although Covid protocols still are very much part of our daily existence, this month's Principal's Message will reinforce the normal "little matters" needed to achieve excellence for all of our students:

- *Attendance:* Now that students are receiving new instruction daily, it is imperative to attend school each day.
- *Punctuality*: Classes **begin** at 8:20 a.m. which means students need to enter the building by 8:15 a.m. at the latest. Tardiness disrupts the learning of all students, not just the late student.
- *Fourth Quarter Learning:* With the elimination of finals this year, fourth quarter grades have a larger impact on GPA and earning credits. Students need to finish the year strongly and complete assignments with quality and on-time.
- *Seek Help:* If you are struggling with a concept or assignment let your teachers know. Asking for help isn't a sign of weakness, it is a sign of strength and growth.
- *Car Arrival Procedures:* Thank you to all who have kept our students safe by dropping off in the curb lane and showing patience. It's encouraged and helpful to drop your children off at any point along the sidewalk once traffic has stopped. There is no need to drop them off right in front of the entrance doors.
- *Dress Code:* With the warmer weather approaching, please make sure your students are in compliance with dress code. This includes not wearing clothes with rips and holes, shirts not covering midsection, and hats indoors.

With the uncertainty and continual adjustments this year has brought, I have to admit it feels good to be giving reminders about typical high school matters. Although these "small matters" may seem insignificant, I truly believe that when we pay attention to the small things, the big things have a way of taking care of themselves.

Mr. Walter

Overview of Graduation Seals from the Ohio Department of Education

In addition to fulfilling curriculum requirements and earning the competency requirements listed in the Class of 2023 and Beyond Graduation Requirements link, students must also show they are prepared for college or careers.

Students will demonstrate readiness by earning at least two diploma seals, one of which must be state defined. Seals help students develop an array of critical skills that are valuable to them as they transition to the next steps after high school.

LHS PTA

2021 Helping Hands and Educator of the Year Awards

2021 Helping Hands Award

The LHS PTA congratulates Ms. Katy Corrigan, District Nurse for the Lakewood City School District and Foreman Mr. Randy Hatmaker, as co-recipients of the 2021 Helping Hands Award. They share this year's honor for their uniquely separate but equally important roles in the safe return to in-person learning during the COVID-19 pandemic.

Said a fellow staff member who nominated Ms. Corrigan, "She has tackled this Covid crisis with her typical calming disposition and professionalism. She has always provided a reassuring presence to our students, but this year she has been the guiding light through the storm for all of us." Echoing this sentiment was an LHS student who wrote in her nomination, "Ms. Corrigan does so much to help ensure our entire student body is healthy and happy."

Several staff members shared glowing remarks in their nomination of Mr. Hatmaker, including: "Randy has spearheaded the work of the custodial staff to get LHS ready for students in 2021. After being a ghost town since March of 2020, LHS was transformed with PPE in the classroom, social distancing in the hallways, partial closures of restrooms, and constant cleaning of high contact surfaces. Because of his efforts, the return to learning at LHS has been amazingly successful!"

2021 Educator of the Year

The LHS PTA congratulates Ms. Aimee Guzowski, winner of the 2021 Educator of the Year Award, for her remarkable contributions both in the classroom and to several extra-curricular groups. Said a fellow staff member, "Aimee is simply one of the best teachers that I have ever met. She goes out of her way to model for students and demonstrate how they should act in class. I can't tell you how many times she started a vibrant discussion among students who are normally disinterested, and encouraged them to engage, to ask questions, and to get involved in their education."

"Aimee Guzowski proved herself to be the ultimate game changer for our son," said one of the parents who nominated her. "While many teachers have provided support, Ms. Guzowski empowered our son to support and advocate for his own needs."

Others noted that in addition to her work in the classroom, you'll also see her efforts behind the scenes at assemblies, fundraisers, dances, activities, and orientations that she organizes. For her novel approach to teaching and her creative ways of engaging others, the LHS PTA considers Aimee Guzowski as one of LHS's great assets.

Congratulations to staff members across many departments - there were nearly 100 nominations this year!

LAKEWOOD Athletic BOOSTERS

The **Lakewood Sports Channel** is created by Lakewood Athletic Booster volunteers looking to bring our youth athletics to families and fans who cannot attend and to provide a channel to watch games and events later. Equipment and software is being covered by private and business donations. Commentary by coaches Grant Graves, Pat Hayes, Mike Harper, and others when possible. Catch all the action and Subscribe on YouTube!

Donate! Please help us make up for lost concessions, lost ticket sales and keep our programs **in the black and on the field! ***
