RANGER ROUND UP

From the Principal's Desk

"Remember how far you've come, not just how far you have to go. You are not where you want to be, but neither are you where you used to be." –Rick Warren

I've always looked towards the words of wisdom from others to inspire me to think with a more positive outlook. This is especially true during tough and turbulent times. The words at the beginning of this article from Pastor Rick Warren really spoke volumes to me as I reflected on how far we have come this year.

We started out this year in complete remote learning with no approved vaccination in sight. We now have our students in the building full time and learning in front of many staff that have been vaccinated, with their peers who are now receiving vaccinations. We started thinking we would not have a fall sports season. We ended up having fall, winter, and spring athletics with spectators and even some live streaming events.

The performing arts were shut down and we did not know if our musicians and thespians would ever get to perform. We are now putting on live band and orchestra performances, virtual plays (wait until you see Barney Vision!) and choir concerts. Our fine arts students kept creating unbelievable works of art but with no one to see it. Through virtual art shows, our students' work has been showcased and the tradition of earning artistic awards at LHS continues.

Clubs and activities have resumed in person and virtually to connect our students to the community and each other. And yes, we are having Commencement with family in attendance and Prom that is sure to be fun.

As Pastor Warren stated, "we are not where we want to be," but there certainly is so much to celebrate about how far we have come. I want to thank all of our students, staff, and parents who have helped us overcome the challenges we have faced this year and I look forward to conquering the obstacles that lie ahead.

Go Rangers!

Dear PTA Members,

I graciously thank everyone for their support in PTA this year. We were happy to assist with many. traditional and newly inspired events during the pandemic. This included funding for Prom and Reception for our 2021 Seniors, Reflections, Teacher Appreciation, and Teacher Grants.

LHS PTA supported the Close and Mercado Families during their tragic loss early this year. We contributed to the "Go Fund Me Account," delivered yellow tulips, and sent gift cards to the families of our two 2020 Graduates that we lost this year. Max and Alejandro will be forever in our hearts.

A big thanks goes to our outgoing officers and members this year. I want to send a personal thank you to Elizabeth O'Brien, Shannon Scott, Colleen Worthington, and Laura Whitkofski for their hard work and dedication over the years. Thank you! You will be missed.

Congratulations Graduates. Have a fun summer.

With Ranger Pride,
Regina S. Westlake- President

Music Boosters News

May 2021

BarneyVision is an original revue celebrating the last 50 years of musical theatre.
The script, written by the 2021 Theatre Arts class, follows Ms. Brooks and Mr. Farinelli as they struggle to choose the Barnstormers' next musical. When they are mysteriously sent back in time, they encounter 15 theatre legends (played by LHS students) who try to help them pick a show. Filmed both live and via Zoom, the feature-length film is two hours long.

While the movie will stream on YouTube on May 21st at 7:00pm, we are also hosting a red carpet premiere in the Civic Auditorium on Thursday, May 20th at 7:00pm. The event is free, but attendees must reserve their seats in advance. Tickets can be reserved by clicking here.
