Ranger Round Up

From the Principal's Desk

"Your mental health is a priority. Your happiness is an essential. Your self-care is a necessity."

The World Health Organization celebrates World Mental Health Day on October 10th this year as a way to bring awareness and support to those struggling with their mental health. This year's theme is, "Mental health care for all: let's make it a reality."

The reason I bring this to this month's Ranger Roundup is due to the increased prevalence of students exhibiting mental health concerns at Lakewood High School. As I speak to my colleagues in other districts, I am hearing the same concern about student well-being and the impact that Covid-19 has had on students locally and around the world.

Educators were hopeful that the full return to in-person learning would lessen the feelings of anxiety, isolation, and depression our students have experienced over the last year and a half. The good news is that we do see students who have acclimated back to normalcy and are thriving now back in school. Unfortunately, there are still many students who are struggling with their mental health that often go hand-in-hand with other health and behavioral risks.

The positive news is that teens are resilient, and we know that feeling connected to school and family is one of the most important prevention strategies to improve mental well-being. Additionally, we have opportunities at LHS to provide support from our guidance counselors and with our partnerships with the Cleveland Clinic, Bellefaire JCB, and other outside agencies.

I encourage all parents/guardians to talk to their children and to reach out to us if concerns are present. Now, more than ever, is the time to engage our students in conversations and join in school activities to help them feel more connected and supported, and to make "mental health care for all" a reality.

Senior Grade Level Meetings with Counselors

Seniors, please schedule a day and time to meet with your school counselor to review your graduation requirements to confirm you are in good standing. Seniors also inform your school counselor of your after graduation plans attending college, military, entering the workforce, apprenticeship or trade school.

Seniors Applying to College and Transcript Requests

Seniors! This is an exciting, yet busy time of the year for you. We are looking forward to assisting you in the college and career process. Please begin adding colleges to Naviance that you have applied to or plan on applying to, along with requesting transcripts and letters of recommendation in your account. We encourage you to look in Naviance for many listed scholarships.

As a reminder, we also ask that you give your teachers and counselor at least a 2 week notice when requesting to write a letter of recommendation. Please also remember to share your resume.

In the Ranger Roundup, we have included a handout with step-by-step directions on how to request a transcript this year.

Naviance

We are fortunate to have Naviance as a college and career planning tool. Please remember to log into your Naviance account to explore college and career resources. Make sure to regularly review and apply to the many scholarships listed in Naviance. You will also see a posted list of dates for College Admissions Officers visiting LHS during your lunch period in the LHS Cafeteria. The visiting College Admissions Officers visiting LHS are also featured on our LHS announcements.

Parents and guardians also have access to their own Naviance account. If you are unsure of your username and password, or need your password reset, please contact your assigned school counselor.

School Counseling Department Events

In September, our department hosted a Financial Planning for College Night and a Senior FAFSA Night. If you were unable to attend, please visit our website at www.lakewoodcityschools.org/schoolcounseling for the presentations. If you have any questions, please contact your school counselor.
