RANGER ROUND UP

From the Principal's Desk

I recently had a conversation with a colleague lamenting the high cost of attending professional sports, plays and concerts. The cost of entertainment has priced many families out of attendance. As an alternative to paying exorbitant prices for entertainment, I invite families to come out this spring and enjoy the unbelievable talents of our Lakewood High School students.

Check out these family fun events if you are looking for an affordable and enjoyable activity this spring…with free parking!

Health, Safety, and Welfare

By Brigette Dineen

Parents and caregivers,

Allow me to channel Joey Tribbiani while I ask - How you doin'? The past two years have most likely been very stressful for you and your children. Your kids may have sailed through school related and social challenges of the pandemic, or they may still be struggling to find their footing again. Either way, I'm not sure any of us expected parenting to look like this. If you have younger kids, or middle schoolers, or high schoolers, none of this is what we envisioned for our children. We have been doing our best to help our kids deal with missed proms, graduations, field trips, concerts, sport seasons, etc. We've been focused on easing the grief our kids may feel over these lost experiences, but parents are allowed to grieve too. Helping your child prepare for the 8th Grade Dance or Prom, attending Kindergarten graduation, or chaperoning field trips are all things that parents missed out on, and it's OK to be sad about that.

Have you heard the saying "You are only as happy as your unhappiest kid"? If your kids are still super-stressed, it's going to take a toll on the whole family. Many of us are still in survival mode. I'm looking forward to the day when all of this seems like it was a horrible dream, like acid wash jeans. Reaching out for help is always a good idea. You may be met with months-long wait lists for therapy or doctor appointments. Make the appointment anyway. Exercise is good, and sunshine, and interaction with friends. Just remember to take care of yourself, too. If you're reading this, you're still here. You survived two incredibly challenging years. The next time someone offers you ice cream, do not hesitate to say "yes", because you deserve it.

Supporting Teachers, Engaging Students

LHS PTA is pleased to announce the awarding of four grants through the LHS PTA Teacher Grants program, totaling $508.80, bringing the schoolyear total grants to $1,500. These new grants include:

- Partial support for transportation costs for US History students to visit the James A. Garfield National Historic Site
- Majolica ceramics materials for students to experiment with a new technique in Ms. Sedlak's class
- Supplies to enhance the maker space used by MILES Makers, advised by Mr. Streets
- Refreshments for a program with the League of Women Voters for students to learn about voter registration and participation, through the Social Studies Department

In addition to these grants, Committee members Ahmie Yeung and Sabrina Roberts made connections for teachers to the Rockport Library Maker Space and identified other potential sources of support for arts and culture needs. The LHS PTA Hospitality Committee has also agreed to coordinate donations of refreshments for the program with League of Women Voters.

Other possible grant resources for teachers include the following:
