RANGER ROUND UP

From the Principal's Desk

"Gratitude is not only the greatest of virtues, but the parent of all others."--Cicero

At the beginning of this school year Superintendent Niedzwiecki declared this the "Year of Appreciation." A`s we head into the last month of school, I would like to share with you what I appreciate about the 21-22 school year.

- I appreciate that we had students participating in music, theater and athletics in front of fans and live audiences.
- I appreciate the staff members who held after school clubs and activities to enhance learning outside of the classroom day.
- I appreciate our health services staff who have kept us safe and taken care of us all year.
- I appreciate the teachers who have worked so hard to create engaging lessons during a very difficult period where they faced safety and learning loss challenges.
- I appreciate our coaches and athletics department for their work to create great athletes and great people.
- I appreciate our fine & performing arts staff for the amazing talent they bring out in our students.
- I appreciate our secretarial staff for keeping LHS running by doing all of the important behind the scenes work.
- I appreciate our custodial staff for taking care of the myriad of needs each day and always lending a hand for both small and large events at LHS.
- I appreciate our security team for making sure every person in our school remains safe.
- I appreciate our paraprofessionals who work so hard to help all of our students learn.
- I appreciate our substitute teachers who kept school in session when staffing was thin.
- I appreciate our Guidance Department for supporting our students academically and emotionally.
- I appreciate our Music and Athletic Boosters for their fundraising and volunteer hours. We couldn't run these programs without them.
- I appreciate the LHS administrative team for their long hours and dedication to student learning and well-being.
- I appreciate our PTA leadership and volunteers for their advocacy for students and their support of our entire school staff.
- I appreciate our parents for their commitment to their children and their desire for their students to grow and learn.
- I appreciate having the honor of being the principal at Lakewood High School for the last four years.
- Most of all, I appreciate our students who bring joy, enthusiasm, laughter and inquisitiveness to LHS each and every day.

With Pride and Gratitude,
Mr. Walter

Voter Registration Education Event

For the past several years the League of Women Voters has partnered with Lakewood High School to help to register students to vote. Over that time hundreds of Rangers have joined the ranks of registered voters.

On **Thursday, May 12th** from 3 PM to 4 PM in the LHS cafeteria newly registered students will be treated to refreshments, music, and a guest speaker from Cuyahoga County College. In addition, the League of Women Voters will announce their winner(s) for the Mary Warren scholarship.

You can help by signing up here to donate refreshments!

Reminders & Announcements

Test Dates

Upcoming testing dates & deadlines:

- **ACT:** June 11th (registration deadline: May 6th)
- **SAT:** June 4th (registration deadline: May 6th)

FRESHMEN

- Apply for summer opportunities (jobs, programs, internships, volunteering, job shadowing, etc.). Pay attention to deadlines - many are in April!
- Use the resume builder (in Naviance) to keep track of what you accomplished this year.

SOPHOMORES

- Watch for announcements from your school on college exposure opportunities.
- Search for and apply to summer opportunities, jobs, activities, camps, or volunteer options.
- Continue to research career options and matches to college majors.
- Develop academic goals for the summer. Consider taking a summer course or participating in a program at a local college.
- Keep editing your resume.
- Check-in with your school counselor with any questions.
- Are you currently in AP classes? Keep your grade report on file so you can keep track of college credit earned.
- Prepare for your semester exams.

JUNIORS

- Polish up your resume.
- Set up job shadowing opportunities or identify and apply for summer internships or jobs.
- Explore training programs, apprenticeships, and other post-high school options.
- Consider summer opportunities on college campuses.
- Keep studying for the in-school ACT or SAT or participate in impact!
- Register for the ACT or SAT.
- Learn about the college application process and identify what is most important to you when looking at colleges.
- Meet with your College Now advisor to begin searching for colleges that you may be interested.
- Look into scholarships that you may be eligible for (either right now or next year).
- Watch for communication from your school on college exposure opportunities.
- Attend college fairs and open houses. Learn as much as you can about colleges online or visit some colleges over spring break.
- Make a list of teachers and/or community leaders you may want to ask for a letter of recommendation.

SENIORS

- Verify that your high school will send your Final transcript.
- Make your college choice and notify other colleges that you are going elsewhere.
- Continue applying for scholarships.
- Set up your Orientation Day for your College.

UNDERCLASSMAN
FINAL EXAM SCHEDULE

Lakewood High School will be administering final exams to students in grades 9, 10, & 11 on May 31, June 1, and June 2. These are 90-minute exams, which are very important in determining final grades for each course.

Note that:

a) **Athletic eligibility for Fall 2022 is based on the fourth quarter grade, not the final exam.**
b) **It is the student's responsibility to arrange for makeup exams with his/her teacher.**

Students will participate in an open exam schedule **unless you contact your student's House Office by Friday, May 27, indicating that you want your child to remain on campus during open exam times**.

It must be understood that students who are excused from school are the responsibility of the parent/guardian. Students must also agree to leave campus and to conduct themselves appropriately in the community during the open exam schedule. Students are encouraged to use the time to study at home.

If permission to leave is not granted by the parent, the student must report to a study hall in the Cafeteria during non-exam periods. Lunch will be served during exam dates except for June 2nd.

All LHS policies/procedures are in effect, including the dress code.

SENIORS

By now, all seniors should have completed the Senior Survey which compiles information regarding postsecondary plans, i.e. request for final transcripts, college, military and job placements. Log into Naviance and indicate what college you will be attending and enter any scholarships applied for and or received. This data will show the community the percentage of students that attend college from Lakewood High School and the amount of money disbursed via scholarships. If you need help with this, please come to the School Counseling Department.

JUNIORS

Take time to familiarize yourself with Naviance and the Common App. Naviance is a wonderful tool to research your post-secondary options. Please talk to your teachers that you would like for them to write a letter of recommendation for your college application process. Feel free to provide your teachers with the heads up that in the fall 2022 you will be inviting them through your Naviance Account to write your College letter of recommendation. Also be working on your Common App Essays. The Common App will go live August 1, 2022. The Common App is a wonderful tool to apply to multiple colleges. In the fall 2022 you will be connecting your Common App account with your Naviance account. Please notify your counselor if you are unable to get into your Naviance account.

SOPHOMORES AND FRESHMAN

Look for opportunities to broaden your horizons this summer. Participating in social and academic extracurricular opportunities are a great way to discover new hobbies, interests and potential career paths.

Hello,

It is hard to believe the school year is almost complete. Congratulation to our Graduating Seniors! We wish you the best on your future.

It has been my pleasure to serve as President over the past two years. I would like to extend my thanks and gratitude to the amazing LHS PTA officers. It has been fun working with you! Thanks to Mr. Walter and Mrs. Firstenberger for great leadership in the PTA this year. We survived the pandemic and continued to support the LHS staff and students in many ways.

Thank you, PTA members for your continued support. It is appreciated. Good luck to the new board taking offices in the new school year.

Regina S. Westlake

Operation STEM

The Operation STEM (OpSTEM) program helps scholars establish a community of supportive, like-minded peers during the OpSTEM summer institute, and provides scholars supplemental instruction in their introductory math classes led by the STEM Peer Teachers (SPTs). Involvement in OpSTEM and SPT-supported math classes has been proven to increase students' success in their academic endeavors.

Eligibility for OpSTEM

You may qualify for OpSTEM if you are planning on taking one of the following math classes at Cleveland State in the upcoming fall semester: Intensive Precalculus I (MTH 165), Precalculus I (MTH 167), Precalculus II (MTH 168) or Calculus I (MTH 181).

Program Highlights

- 1-credit Introduction to University Life General Education Course (ASC 101)
- 2-week Summer Enrichment Program: the "OpSTEM Summer Institute"
- Supplemental Math Classes Taught by STEM Peer Teachers (150 mins. / wk.)
- One-on-One Peer Tutoring and Mentoring
- Group Study Sessions & Simulated Mock Finals
- Academic Course Guidance
- STEM Professional Speaker Series
- Professional Development Workshops
- FREE 8-week, 4-credit Summer Calculus I Course

First Year Scholars Can Earn Up to $800

- $200 stipend for completion of the OpSTEM Summer Institute
- $300 stipends for Fall and Spring semester (after completion of contractual agreements)

Virtual/Hybrid Summer Internship Program – 2022

Cleveland Clinic's Community Health & Partnerships department offers two virtual/hybrid* summer internship programs (VSIP) focused on healthcare careers (clinical and non-clinical) and workforce development.

- **The Cleveland Clinic Louis Stokes Summer Internship Program (honoring Congressman Louis Stokes' legacy of public service and his longstanding commitment to the youth of Cleveland)**
- **Science Summer Internship Program**

Both programs give Northeast Ohio high school students the opportunity to learn and work (virtual and/or hybrid), alongside world-renowned caregivers at Cleveland Clinic's main campus, regional hospitals, family health centers and administrative campuses. Both programs are designed to provide workforce readiness and career preparedness, increase employability and assist with the transition to college and/or employment. Each program provides opportunities to develop and refine various skills such as project management, digital literacy, academic writing and presentation, professional communication and teamwork. Students gain exposure to clinical and non-clinical healthcare fields and careers, manage learning opportunities and work responsibilities, network with Cleveland Clinic caregivers and find practical, real-world applications for their academic knowledge and pursuit of their selected career goals.

Louis Stokes VSIP

This program provides high school students with engaging**,** real-world work experiences and professional learning opportunities in a variety of non-clinical, business-focused areas of healthcare and the opportunity to interact (virtual and/or hybrid) with Cleveland Clinic caregivers.

Application Criteria

- Be in 9th, 10th, 11th, 12th grade.
- Be at least 15 years of age by June 1, 2022.
- Have a cumulative GPA of 2.0 or better on a 4.0 scale, preferred.
- **Must be fully vaccinated against COVID-19 at the time of application.**
- Live in one of the following Northeast Ohio cities: **Cleveland, East Cleveland or Warrensville**.
- Demonstrate a strong interest in non-clinical, business focused areas of health care.
- Be a U.S. Citizen, non-citizen national, or legal permanent resident.

**** The 2022 summer internship experience is designed to be facilitated virtually, but for some internship pathways, the internship will be a hybrid experience, with students having some responsibilities on-site at a Cleveland Clinic campus. Hybrid experiences will be based on the mentor's work assignments to the student requiring an on-site presence to complete them.***
