RE: Teacher/Para-professional Qualifications

Rossville Consolidated School District strives to hire highly qualified instructional staff members. This is in accordance with the Elementary and Secondary Education Act, Section 1111(h) (6) PARENTS' RIGHT TO KNOW. By law, every student attending a Title I school must receive this notice of their right to request and receive information in a timely manner regarding the professional qualifications of the classroom teachers. This information regarding the professional qualifications of your student's classroom teachers shall include the following:

- If the teacher has met state qualification and licensing criteria for the grade level and subject areas taught;
- If the teacher is teaching under emergency or temporary status in which Indiana qualifications and licensing criteria are waived;
- The teachers baccalaureate degree major, graduate certification, and field of discipline; and
- Whether the student is provided services by paraprofessionals, and if so, their qualifications

If at any time your student has been taught for 4 or more consecutive weeks by a teacher that is not highly qualified, you will be notified by the school of this information.

If you have questions or concerns, please feel free to contact, Chad Dennison, elementary principal at 379-2119 ext. 310.

Sincerely,  
Mr. Chad Dennison
