INTRODUCTION

Nonnewaug High School's athletic department extends an invitation to all students to participate in the many interscholastic athletic programs offered in the school.

The information provided in this handbook is relevant to policies, regulations, and rules of Nonnewaug High School, the Region 14 Board of Education, Connecticut Interscholastic Athletic Conference (C.I.A.C.) and the Berkshire League (B.L.).

Nonnewaug High School's athletic department is committed to the educational development of students and feels that a properly controlled, well-organized, sports program will meet the students' needs for self-expression, mental alertness, and physical growth.

The student athlete will learn the value of setting goals, sportsmanship, citizenship and self-reliance. Ultimately, the athlete develops an understanding of the necessity of self- discipline and hard work to attain success.

Athletes are selected for varsity, junior varsity, or freshman teams based on their demonstrated abilities. Our numerous programs are designed to accommodate as many students as possible. Unfortunately, "cutting" athletes from certain programs may become necessary due to various constraints.

Students who choose to participate in athletics are making a choice that requires self- discipline. Consequently, we place a strong emphasis on good training habits. Failure to comply with rules of training can affect an athlete's performance and contribution to the team. Students who do not adhere to these rules will be jeopardizing their participation in the program. They should be aware that involvement in athletics is a privilege, not a right.

Nonnewaug High School takes great pride in its athletic program. I invite you to become an integral part of Nonnewaug's athletic family. Remember, student-athletes are role models for others and consequently, should set a good example for others. We are a school that has often won the Berkshire League's Ted Alex award for sportsmanship. This award is earned by combining our win percentages in all sports along with a sportsmanship grade that is associated with our players, coaches, and fans. We hope that you will support us as we continue to strive to be even better each day that we move forward.

Sincerely,

Declan Curtin

PHILOS0PHY

Nonnewaug High School's athletic department's mission is to provide a comprehensive, diverse, wholesome, and dynamic program consistent with the basic philosophy of Regional School District #14. As an integral part of a student's total education, Nonnewaug's athletic program makes a significant contribution to the personal growth and development of those involved.

Although Nonnewaug High School is looking forward to the success of its many programs, it does not condone a "win at all costs" attitude. The purpose of the program is to ensure a positive experience for those students who choose to participate. Another goal is to provide all student-athletes with an opportunity to learn the importance of ethical behavior, good sportsmanship, positive values and a realization of their self-worth.

Nonnewaug High School seeks to produce well-rounded individuals with interests and abilities in many areas. Specialization in one sport during the middle school and high school years to the exclusion of others or other equally valuable activities is not encouraged.

Nonnewaug's athletic department has a professional staff who takes great pride in both preserving and promoting the welfare of each athlete. The staff is cognizant of the tremendous influence a coach has on an athlete and is committed to instilling the highest ideals and character traits in our students.

DESCRIPTION OF THE PROGRAM

Varsity Athletics: Varsity athletic programs afford opportunities to those athletes who exhibit the greatest skills in their chosen sport. These athletes will compete against equally talented athletes from opposing schools. The skills of varsity athletes will be refined to provide Nonnewaug with the best possible win-loss record.

Junior Varsity Athletics: Junior varsity athletic programs afford those students who do not yet possess the skills required of varsity athletes an opportunity to participate in a competitive setting. Junior varsity athletes are in the process of gaining the valuable knowledge, skill and experience required for varsity competition. Junior varsity athletes may, on occasion, participate in varsity contests. Decisions of this nature are based on the evaluation of the athletes' abilities by the coaching staff and are not absolute.

Freshman Athletics: Freshman athletic programs are designed to provide ninth-grade students with the opportunity to participate in an instructional yet competitive setting. These programs will teach the basic skills of the sport and afford athletes an opportunity to gain valuable knowledge and experience.

Freshman athletes may, on occasion, participate in junior varsity or varsity contests, respectively. Decisions of this nature are based on the evaluation of the athlete's abilities by the coaching staff. These decisions should not be misinterpreted as an absolute to move to the next level of competition.

Decisions about playing time are made by the coaching staff and are not absolute. We encourage student-athletes to self-advocate for themselves and have meetings with coaches if playing time or a plan of improvement is needed.

ATHLETIC DEPARTMENT POLICIES

The following athletic programs are offered at Nonnewaug High School:

SEASON	SPORTS
FALL	Cheerleading, Cross Country, Field Hockey, Football Co-Op (Northwestern United), Golf, Soccer, Volleyball
WINTER	Basketball, Cheerleading, Gymnastics, Ice Hockey Co-Op (Shepaug), Indoor Track, Unified Basketball, Wrestling
SPRING	Baseball, Softball, Tennis, Track and Field, lacrosse Co-op (Litchfield/Wamogo) and Unified Sports

Tryouts: Try-outs for teams are held prior to the season. Information concerning try-outs for the fall season is e-blasted over the summer. Students interested in try-outs for winter and spring season sports should check with the athletic office, however, monthly mailings will also include this information. Student-athletes will be encouraged to try out for various athletic teams. A three-day tryout period will be in effect for each team. Upon reaching the first contest date, as indicated by the C.I.A.C., currently enrolled students will not be allowed to try out or gain membership to any other Nonnewaug team.

Participation: Athletes may participate in only one Nonnewaug sport program per season. If an athlete quits a team or is asked to leave a team, he or she cannot join another sport already in season. An athlete may also not try out for a team once a coach has given the official roster to the athletic department for grade and eligibility verification. Transfer students are an exception to this rule.

Attendance – School and Class: Participation on an athletic team is a privilege granted after a student's academic responsibilities are met. Attendance in the classroom is an important requirement for a good education, as is attendance at team activities. Attendance requirements for participation in a sport are as follows:

- Athletes will attend all classes regularly and be on time. Tardiness to class and cutting class will not be tolerated.
- Athletes who come in late or leave early and miss a portion of the day due to a medical appointment must provide a note to the athletic director from the health care provider in order to participate that day.
- All students must be in attendance at school to take part in or attend any after school athletic events. The athletic director has final determination with the student-athletes decision to play sports based on attendance concerns.

- Athletes will not use a sport as an excuse to miss class or portions of a class unless the team is departing early from school. In the case of an early dismissal, the director of athletics and/or the coach will notify the athlete's teacher.
- Athletes should be role models in physical education class. If an athlete does not participate in physical education during the day, he/she is not eligible to participate in practice or a game that day.
- A student suspended from school may not participate in a practice or a game during the effective date(s). A student suspended on Friday will not be eligible to participate in Saturday contests.
- Students are expected to arrive to school on time. Excessive tardiness can result in being suspended or dismissed from a team.

Attendance at Practices and Games: Attendance at all practice sessions and games (including tournament and vacation periods) for all team members are mandatory. If for some reason you will be absent or tardy for a practice or game, you must speak personally to a member of your team's coaching staff prior to that practice or game.

Unexcused absences from practices or games are not permitted. Students may not leave a practice or scheduled game/contest to participate on a recreational team or attend a job. Failure to abide by this rule may result in suspension or dismissal from the team.

The realities of tightly scheduled seasons along with state tournament dates result in practices and games being scheduled during school vacations. Students are asked to be committed to the team for the entire length of the season and games and/or practices missed during vacation periods may result in suspensions and/or dismissal from the team.

GAME SCHEDULE AND CHANGES

Schedules for all team contests can be viewed on the following website: www.ciacsports.com. Weather-related postponements will be listed on the Region 14 website under Nonnewaug High School's Athletic Page. Every attempt will be made to announce schedule changes by 1pm on the date of the change. In the event of an official school closing, all scheduled events, contests, and practices are automatically cancelled unless special approval is granted by the athletic director or the superintendent of schools.

STANDARDS AND EXPECTATIONS

Nonnewaug High School students who wish to participate in the athletic program must set priorities and make wise choices. Academic performance takes precedence over participation in athletics. Students who must receive extra help after school or make up academic work should bring a note from the faculty member to their coach upon arriving at practice. Any disciplinary actions, including detentions, take precedence over athletic practices. Suspensions take precedence over both athletic practices and contests.
Consequences for athletes in violation of these rules include suspension or dismissal from the team, loss of captaincy and loss of awards.

In summary, as a student athlete you are expected to behave in ways that will bring honor to your school, coaches, family, community, or teammates, through the following:

- Exemplary school citizenship.
- Consistent attendance in class and school.
- Consistent attendance at team practices and games.
- Positively influencing team morale.
- Obedience to your coach.
- Meeting or exceeding standards for academic eligibility.
- Respect for school property and property of others.
- Display of exemplary sportsmanship conduct toward teammates, opponents, opposing fans, officials, and others.

Any violation of the aforementioned rules may lead to dismissal from the team for the duration of the season or result in an indefinite suspension.

TEAM CAPTAINS

All Nonnewaug High School team captains are expected to be leaders on their teams and in the school community, foster team and athletic program spirit and pride, set examples of academic integrity in the classroom, and follow the policy and procedures outlined in this handbook. In addition, they must serve as positive role models to the youth of the community. The role of the team captain for a Nonnewaug High School athletic team is a prestigious honor and a privilege. The captain is viewed as a mature leader who is looked upon by students, athletes, coaches, and administrators to set a positive example of team pride, fair play, dedication, and school spirit. Nonnewaug High School captains are expected to have the following attributes: honesty, leadership, compassion, and integrity. Captains and nominated captains who are unwilling or unable to meet these requirements in or out of their season will be relieved of their position. The athletic director meets with the captains of each season to outline the responsibilities as they relate to this handbook. Captains are required to attend this meeting.

FIGHTING PRIOR TO, DURING, OR AFTER AN ATHLETIC CONTEST

Fighting will not be tolerated for any reason. It does not matter if you are the victim of an unsportsmanlike act, if you are provoked or taunted, if you are verbally or physically abused, or if you are subjected to any other set of circumstances. The relevant question is, did you, the Nonnewaug athlete, actively participate in a fight, retaliate in a fight, or leave the bench to join a fight in progress? If the answer is “YES” to any part of this question, you, the athlete, will be subjected to serious sanctions such as, but not limited to, suspension or dismissal from the team. Nonnewaug High School’s athletic department holds a ZERO TOLERANCE policy when it comes to fighting while an athlete is representing Regional School District #14. If an official ejects a student athlete for fighting from an athletic contest, he/she will not be eligible to participate in the next scheduled or unscheduled contest. Any further ejections for fighting can result in a more significant suspension and/or dismissal from the team.

MOOD ALTERING CHEMICAL USE – TOBACCO, ALCOHOL, DRUGS (illegal and non-prescription)

There will be absolutely no use or possession of any quantity of tobacco (including smokeless), alcohol, or illegal/non-prescription drugs, including steroids and performance enhancing substances or supplements, by a Nonnewaug athlete. Any individual who violates this rule either on or off campus will be subject to disciplinary action. Reminder to students: this is a 24-hour rule and extends beyond the school day.

Disciplinary Actions for Violations Consequences for

Violating Tobacco Policy

1st Offense: Suspension for 10% of regular season (no suspension will be less than one contest)
2nd Offense: Suspension for 50% of regular season contests.
3rd Offense: Student will be dismissed from the team for the remainder of the season.

Consequences for Violating Alcohol and Illegal drug Policy

1st Offense: Suspension for a minimum of 20% of the regular season contests. No suspension will be less than two (2) contests. The severity of the incident may result in a lengthier suspension which can extend through the end of the season or the remaining school year.

2nd Offense: The student will be suspended from the team for the entire season. After a second offense, if the student wishes to participate on another team, he/she must show evidence of having fully participated in a school approved substance abuse counseling program.

3rd Offense: Student will be suspended from participating on any team for the remainder of the school year.

Athletes not admitting to but subsequently found guilty of violating these rules may be suspended for the equivalent of an additional 10% of their regular season contests (but not less than one additional game)

Any offense with the penalty of a police arrest at the level of misdemeanor or felony will result in more severe consequences.

NOTE:

1) The athlete must attend and participate in all practices.
2) The athlete must attend all contests but may not participate and may not be in uniform.
3) The athlete must complete a re-entry interview with the athletic director and coach.
4) Athletes found guilty of violating these rules are not eligible to receive post-season awards involving character and leadership. Captains found guilty of violating these rules will lose their position and are not eligible to be named captains of a team until 3 seasons of play have passed from the date of their violation (including the season in which the violation occurred).

Performance Enhancing Drugs Minimum Penalty

The CIAC expects member schools to monitor their student athletes to assure that they are free of performance enhancing substances and to report any violations in a timely manner.

A student-athlete who has been determined to have used, in or out-of-season, androgenic/anabolic steroids or other performance enhancing substances shall be declared ineligible for all CIAC-controlled activities for one hundred eighty (180) school days on each occurrence. The one hundred eighty (180) school day period of ineligibility commences on the day the CIAC Board of Control makes such determination.

Any student athlete who refuses to submit to testing as part of a member school's Board of Education-approved random drug testing policy shall be ineligible to participate in any CIAC-controlled activities.

All CIAC contests/games/tournaments/championships in which the offending athlete participated while under the influence of performance enhancing substances shall be declared forfeitures and all records will be expunged.

A member school may apply to the CIAC Board of Control for reinstatement of the athlete's eligibility to participate in CIAC controlled activities. Any such application must include:

a) The results of a CIAC-approved medically validated drug test which confirms that the student-athlete is chemical free. The test must have been completed with 30 days prior to the application. The CIAC shall not be responsible for any expenses related to this testing.

b) A statement of the compelling circumstances on which the member school bases its application for reinstatement of the athletes' eligibility.

Performance enhancing substances and practices subject to this policy include but are not limited to, the following:

a) Anabolic Agents, Diuretics, Peptide Hormones and Analogues
b) Blood doping (the intravenous injection of whole blood, packed red blood cells, or blood substitutes)
c) Substances and practices identified as banned by the NCAA and the USOC.

The CIAC allows member schools to make exceptions for those student-athletes with a documented medical history demonstrating the need for regular use of substances that are banned in this policy. These identified substances shall be medically prescribed by the student-athlete's doctor for therapeutic purposes. The documentation should contain information as to the diagnosis, medical history and dosage prescribed.

HAZING AND INITIATIONS

Hazing or initiations of student athletes by other team members are not acceptable and any practice of this type of behavior will not be tolerated. Actions of this type may be illegal, and those involved may be subject to police action, as well as additional school consequences up to and including: dismissal and/or suspension from participation in any athletic program, and/or suspension and/or expulsion from school.

- ❖ Hazing occurs when an act is committed against a student or a student is coerced into committing an act that creates a substantial risk of harm to the student or to any third party in order for the student to be initiated into or affiliated with any school group, club, athletics team, grade level, activity or organization. Hazing includes but is not limited to:

1) Any activity involving an unreasonable risk of physical harm, including paddling, beating, whipping, branding, electric shock, sleep deprivation, exposure to weather, placement of harmful substances on the body and participating in physically dangerous activities.
2) Any activity involving the consumption of alcohol, drugs, tobacco products or any other food, liquid, or other substance that subjects the student to an unreasonable risk of physical harm
3) Any activity involving actions of a sexual nature of the simulation of actions of a sexual nature.
4) Any activity that subjects a student to an extreme and unreasonable level of embarrassment, shame or humiliation or which creates a hostile, abusive or intimidating environment; and
5) Any activity involving any violation of federal, state or local law or any violation of school district policies and regulations.

UNSPORTSMANLIKE CONDUCT

If a player is ejected from a varsity, junior varsity, or freshman league or non-league contest, he/she will be suspended for a period of one contest at that level of play and all contests at any level played in the interim.

Unsportsmanlike conduct on or off the field of competition may result in an athlete's dismissal from the team and may jeopardize future participation in athletics.

Student athletes are subject to discipline, including suspension, dismissal, loss of captaincy and loss of awards for any behavior in violation of school policy. This discipline includes misconduct that occurs off school property or during non-school time. The following behaviors will be considered serious violations which may result in suspension from the team and discipline as outlined in the student handbook.

- Civil law infractions
- Theft or malicious destruction of individual, private, or school property
- Infraction of school rules requiring administrative action
- Misconduct by an athlete that is potentially detrimental to the athletic program, school, or school district
- Profanity from any athlete while representing the Nonnewaug High School athletic program at practice and/or games, and as a spectator at other rival high school athletic contests
- Documented possession or use of alcohol, tobacco or drugs

SUSPENSION OR DISMISSAL FROM A TEAM

Prior to the season, athletes will be informed by their coach regarding the types of behavior that may warrant suspension or removal from the team. Each case will be considered individually. Parents will be notified by telephone as soon as possible after a student has been suspended or permanently removed from a team.

ADDITIONAL TEAM / SPORT REGULATIONS

Coaches may have additional regulations pertaining to their sport. These regulations will be discussed at the beginning of each season.

TRAVEL INHERENT IN ANY ACTIVITIES

In the interest of building and maintaining team spirit and unity and limiting athletic program liability, all players, managers and anyone traveling on the bus to a contest, are strongly encouraged to return with the team on the bus.

- Parents will not transport athletes unless face-to-face verbal and written requests are submitted to the director of athletics or coach for approval. Please use the Alternate Transportation Form if your child will be transported by a parent. It is best to submit this 24 hours in advance.
- Athletes will remain with their team and under the supervision of the coach.
- Athletes who miss the bus will not be allowed to participate in any contest unless there are extenuating circumstances and with the coach's and/or athletic director's approval.
- When transportation is not provided to off-campus home venues, athletes may not transport other student athletes to any contests or practice sessions.
- Parents may not take other students home with them from away games where buses are provided. Exceptions are discouraged and will be honored only in rare instances with proper notification.

C.I.A.C. / NONNEWAUG ELIGIBILITY RULES

TO BE ELIGIBLE: ALL INCOMING FIRST YEAR FRESHMEN ARE AUTOMATICALLY CONSIDERED ELIGIBLE UPON ENTRY INTO NONNEWAUG HIGH SCHOOL.

GRADE AVERAGE

A student cannot at any time represent Nonnewaug High School unless they are taking at least four (4) quarter Carnegie Units of work or its equivalent (Rule I. B.). For purpose of this rule the term "unit" refers to the traditional Carnegie Unit. A Carnegie Unit is herein defined as "200 minutes of recitation during a period of five consecutive school days for an entire school year."

- You must have passed at least four (4) units or the equivalent at the last regular marking period with the exception of fall eligibility (Rule I.B.).
- Incomplete grades are not considered to be passing grades.
- For fall sports eligibility, a student must be a continuing student (eighth grade to ninth grade) to have received credit for four (4) units or have received credit toward graduation at the close of the school year preceding the contest in at least four (4) Carnegie Units of work or its equivalent for which he or she has not previously received credit. Credit must be earned during the same academic year. (Rule I.A.).
- Capture dates will be used in determining scholastic eligibility. Nonnewaug has rolling grades. As such, student eligibility will be determined based on 4 dates that will be pre-determined based on the school calendar.

AGE RESTRICTIONS

Upon reaching the age of 20, a student loses their eligibility to participate on an athletic team. A student cannot turn the age of 20 at any point from the first practice date through the last CIAC tournament date. A student-athlete will not be allowed to start a season or compete during a season in which his/her twentieth (20^{th}) birthday falls.

TRANSFER RULE

You must not have changed schools without a change of legal residence (Rule II.C. See complete rule for exceptions).

YEARS OF PARTICIPATION

No student-athlete shall participate in the same branch of athletics more than four (4) seasons in grades 9-12 at any school.

A. Date of entry is defined as the first date of enrollment as a grade 9 student taking four (4) or more high school subjects.
B. Students who are not eligible or elect to not participate do not preserve additional semesters for use at a later time. That is, there is no fifth year of eligibility per se.
C. Once a student has attended 15 days or more, he/she may apply through the member school for consideration of a hardship waiver. Hardships involve serious documented medical situations where students are not able to attend school at all or become incapacitated. Injuries sustained in playing a sport do not constitute grounds for a medical hardship grant of an additional semester. Hardships will also be granted for a student who has been absent one or more semesters because of required military service. If a waiver is granted, the semester granted must be the same as the semester waived. Fall for fall, spring for spring.
D. The fact that a student has not participated for four seasons will not justify allowing such student to participate in interscholastic sports beyond the eighth semester after his or her entrance into the ninth grade.
E. This is an eight-semester attendance rule, i.e., eight semesters of time not eight semesters of participation or competition rule.
F. Exception: A student who interrupts his/her school career in order to participate in a CSIET-approved foreign study program may have his/her eligibility extended for up to two semesters, provided the student does not participate out-of-country in sports he/she wishes to play upon his/her return, subject to approval by the CIAC.

OUTSIDE PARTICIPATION

An athlete may not play or practice with an outside team in the same sport while a member of the school team after the first scheduled game in any season. (Rule II.E.) This rule applies for all athletes in grades 9 through 12.

The exception to Rule II.E. shall be:

1. Participation in parent-child tournaments and caddy tournaments and certain identified sports in which a student may practice but not compete with a non-C.I.A.C. team during the season (i.e. swimming, tennis and gymnastics).

All Sports: The CIAC board of control may grant exceptions to athletes to participate in those contests legitimately organized for the sole purpose of preparing for and selection to the next Olympic Games or the Pan-American Games. In sports not sponsored by the International Olympic Committee or the Pan-American Games an athlete may participate in one (1) National Governing Body (NGB) sponsored national tournament event or the other NGB sponsored international competition during the sport season. These contests must be recognized by the United States Olympic Committee, the Pan-American Games and/or the NGB for the sport as having as its sole purpose the selection to the Olympic, Pan-American, national, or international team. All decisions for participation will be made in accordance with the **Restricted Competition** provision of the U.S. Olympic Sports

Act wherein state athletic associations shall have **"exclusive jurisdiction"** to conduct their programswithout interference by any NGB.

Athletes wishing to compete in any of the above-mentioned events must first seek the consent of their school administration prior to the school requesting permission to participate from the CIAC. Athletes granted permission to compete are subject to CIAC weekly limitations for the specific sport and the athlete is prohibited from missing a school competition to participate on a non-school team. Exceptions to these regulations may be granted by the CIAC Board.

FALSE IDENTIFICATION

You must not play under an assumed name on an outside team. (Rule II.F.)

SUMMER PHYSICAL CONDITIONING

Summer physical conditioning programs are **not** mandatory for team participation. Nonnewaug High School encourages families to take vacation. Any conditioning program or practice is completely voluntary.

"CAPTAIN'S PRACTICE"

The C.I.A.C. and Regional School District #14 **does not** in any way sanction or condone "Captain's Practice" in any sport. "Captain's Practice" may be a clear violation of C.I.A.C. Eligibility Rule II.D, and, therefore, is not permitted. Team members can participate in group activities on their own accord.

Due to the complexity and exceptions to these and other C.I.A.C. Rules, any questions regarding eligibility should be discussed with the Athletic Director.

ATHLETIC DEPARTMENT INFORMATION PERMISSION FORM

All candidates and their parents or guardians must complete the Athletic Department *Family ID registration* **before they may tryout or participate in any practice sessions**. There will not be any exception to this rule. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile so you enter your information only once for multiple uses, multiple family members and multiple programs.

All registration will be done online during the "open registration" period. Athletes will not be allowed to play or practice until all information has been completed in the registration process.

Family ID can be accessed at: **https://www.familyid.com/nonnewaug-high-school** **PHYSICAL EXAMINATIONS**

A student athlete must have a physical each year to participate in interscholastic sports. It is the responsibility of the student athlete to ensure that the physical does not expire at any point during the season.

1. Families are encouraged to get on a summer schedule concerning athletic physicals. This would allow student athletes to compete in all three seasons with a valid, current physical. The school district offers a free physical in June to help get on the schedule.

2. Completed physical examination forms (or copies of) must be on file in the nurse's office of the high school prior to the first tryout or practice session

INJURIES AND ACCIDENT FORMS

Any injury sustained by an athlete during practice or during a game is to be reported immediately to the coach. This is the responsibility of the student athlete. The coach will then complete an accident form and submit it to the athletic trainer.

Athletes with an illness or injury sustained in an athletic event or any other activity which requires a visit to the doctor, hospital, or primary care facility **must receive written clearance by a physician** in order to return to participation in Nonnewaug High School athletic activities. Written clearance by a physician to return to participation must be submitted to the athletic trainer and/or coach.

Concussion Consent Form

The CIAC Board of Control passed a rule that requires concussion education.

The mandatory topics that must be covered include the following:

- The recognition of signs and symptoms of concussion
- The means of obtaining proper medical treatment for a person suspected of sustaining a concussion
- The nature and risks of a concussion, including the danger in continuing to engage in athletic activity after sustaining a concussion
- The proper procedures for allowing a student who has sustained a concussion to return to athletic activity
- Current best practices in the prevention and treatment of concussion

Further, CIAC also requires that all student-athletes and their parents must sign an informed consent form developed by the school that attests they are aware of the signs and symptoms of concussion and return-to-play requirements. This consent form will be completed through the Family ID registration process.

INSURANCE COVERAGE

A plan of Excess Insurance covering interscholastic sports has been purchased by Regional School District #14 Board of Education. The form of the coverage provides that valid claims for injuries received as a result of participating in interscholastic athletics will be paid on an excess basis. This Excess Insurance Policy will cover bills after a parent or guardian's health insurance has first been applied. Remember that Regional School District #14 will only cover those debts up to the limits set forth in the Excess Policy.

When an interscholastic sports injury occurs, you should obtain a claim form from the nurse's office and/or the trainer. Complete the form in full, including those bills showing the credit received from your insurance company.

No insurance forms will be provided unless an Accident Report is on file with the nurse and athletic trainer. Claims should be filed within 30 days and sent directly to the insurance company.

UNIFORMS AND EQUIPMENT

Uniforms and equipment are on a loan basis and are to be worn only when authorized by the coach. Only uniforms issued by the athletic department will be permitted to be worn for contests. **The athletic department does not issue additional uniforms if a student forgets theirs on game day**. All uniforms and/or equipment are the responsibility of the athletes during the season and must be returned at the conclusion of the season. If lost or stolen, the replacement cost of the uniform or equipment will be assessed to the student. You will not be allowed to try out for or play on a team during the next season until you have returned or paid for the replacement of uniforms and equipment. Failure to return uniforms and/or equipment will affect an athlete's graduation status and the athlete would be ineligible for any athletic award.

LOCKER ROOM

You are responsible for your valuables, uniforms, and equipment. Don't ever leave these items in the locker room unsecured. Keep your locker locked when you are not using it. At the end of each season, locker rooms and lockers will be cleared of remaining articles. It is the responsibility of the student to supply their own lock for athletic lockers.

GYMNASIUM AND WEIGHT ROOMS

- For reasons of safety, an athlete will only be allowed in a gymnasium or the weight room during a practice or when supervised by an authorized member of the staff.
- Unless you are supervised by a coach, you may not work out in the gymnasium or weight room while another team is having an official practice.
- While you are practicing, you may only use equipment designated for your sport.

TRAINING ROOM

- For reasons of safety, you may be in the training room only in the presence of the trainer or a coach.
- You may take or use materials only with the permission of the trainer.
- Athletes in season have priority use of the training room.

PROCEDURE FOR CONTACTING ATHLETIC DEPARTMENT PERSONNEL

1. To encourage independence and responsibility, we encourage student athletes to first seek resolutions to problems on their own. If a student athlete has a concern, he/she should first speak with the coach to resolve the issue.

2. If your son or daughter's meeting with the coach did not resolve the issue, please call to set up an appointment to meet with the coach.

3. If the coach cannot be reached, call the athletic director's office and a meeting with the

coach will be set up for you.

4. If the meeting with the coach did not provide a satisfactory resolution, call to set up an appointment to meet with the athletic director to discuss the situation.

5. Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both you and the coach. Meetings of this nature often lead to conflict and doesn't promote resolution.

HIGH SCHOOL ATHLETIC AWARDS POLICIES

Certificate of Participation

A certificate of participation will be awarded to each athlete who finishes an athletic sport season and is on the final athletic award roster.

Varsity Letter

A varsity letter and a pin indicating the type of sport will be given when an athlete earns the letter by satisfactory participation at the varsity level for the first time during a particular year. If an athlete letters in more than one sport per year, he or she will be awarded additional pin(s) to designate the sport, but not an additional letter. If an athlete letters in the same sport, they will receive bar pins indicating years of service at the varsity level in that sport. Varsity letters may be given to student-athletes who play at the highest level offered at Nonnewaug High School. The NHS athletic department may offer varsity letters to team members if Nonnewaug's highest level of participation is at the junior varsity level. Varsity letters in all varsity sports shall be awarded by Nonnewaug High School upon the recommendation of the coach who will consider the following award criteria:

An athlete must:

- Attend practice and games on a consistent basis
- Display a cooperative spirit with the coach, teammates and opponents.
- Display respect for others on and off the field
- Observe all rules and regulations as outlined in this handbook
- Actual varsity game involvement (criteria often established by coach)
- The coach and the athletic director will have the prerogative to award varsity status to a senior who has not met the seasonal requirements.

Student managers, who successfully meet all their responsibilities, are awarded a varsity letter.

Scholar Athlete

Nonnewaug High School recognizes varsity athletes who achieved an 88.0 unweighted average or better while participating in interscholastic athletics. The criteria for the Scholar Athlete are determined by the Berkshire League. Scholar Athletes must be members in good standing at the varsity level. Status for this award is based on grades from the previous capture date before the end of a season.

The Season

The season is defined as the period between the date officially designated by the C.I.A.C. as

the beginning of the season for that sport and the close of the post season C.I.A.C. tournaments.

Injury Rule

Any athlete who is a varsity starter or plays in varsity contests on a regular basis and becomes injured may be awarded a letter if, in the coach's judgment, he or she would have met the criteria.

NCAA ELIGIBILITY

Students must indicate their intent to participate in Division I or II athletics by registering through the NCAA Eligibility Center. Students will need to create an account which will allow prospective coaches to access academic information. Transcripts are sent electronically to the NCAA at the end of the student's junior year.

NCAA division I and division II participation requires specific academic requirements that are different from Nonnewaug's High School graduation standards. If you intend to play a sport in college, it is important that you discuss this plan with your school counselor so your class selection can reflect the NCAA requirements.

DIVISION III

These requirements do not currently apply to Division III colleges, where eligibility for financial aid, practice and competition is govern

SPECTATOR EXPECTATIONS

Nonnewaug High School expects a high standard of conduct from all players, parents and spectators at athletic contests. Inappropriate spectator behavior reflects poorly on Nonnewaug High School and may result in the loss of spectator privileges and disciplinary action. We will be in control at all times, be good sports whether we win or lose, accept decisions as they are made by officials and/or coaches, and treat officials and opponents with respect.

The Student Athlete: As members of their team, a student athlete serves as a role model. They are admired and respected by many, including younger athletes and their behavior and actions often have a significant impact on others. The student athlete plays an essential role in the promotion of sportsmanship, and they must accept the responsibility to always display high standards of sportsmanship.

1. Will accept the responsibility and privilege the student-athlete has in representing their school and community by learning and showing teamwork, sportsmanship and discipline in all aspects of the game.
2. Will demonstrate respect for self, coach, teammates, opponents, officials and spectators by exhibiting good character and conducting themselves as a positive role model.
3. Will win and lose graciously.
4. Will have a thorough knowledge of and abide by all rules of the game and CIAC.
5. Will work for the good of the team at all times.
6. Will cheer for your team, not against your opponent.
7. Will congratulate opponents in a sincere manner following either victory or defeat.
8. Will refrain from the use of illegal or unhealthy substances to gain an unfair advantage.

The Parent/Spectator: Parents need to keep the activity in perspective. High school athletics is an extension of the school's academic program and is designed to build the athlete's character, values and ethics and is not designed to be the avenue for an athletic scholarship. Parents and spectators must keep the game in perspective and support the coaches, players and officials in a positive manner.

Will respect the integrity and judgment of game officials.

1. Will be respectful of all players, coaches, officials and other spectators.
2. Will never target anyone for abuse whether it be physical, verbal or emotional.
3. Will never engage in name calling, taunting, harassment, obscenities, and any other disrespectful language or gestures.
4. Will always be a positive role model for other spectators and your child.
5. Will cheer for your team not against your opponent.
6. Will make an effort to know and understand the rules of the game.
7. Will recognize that attending a middle or high school athletic contest is a privilege, not a license to verbally assault officials, coaches or opposing teams(s) and their spectators.
8. Will recognize and show appreciation for an outstanding play by either team.
