program

(records request, documented parent call, written notice, etc.)

New School District:

New School:

New City/State/Country:

*Please note:*

*If returning to RCS at a later date, your student will need to provide an official transcript that includes national accreditation from the institution you are enrolling them in. This includes homeschool programs. The official transcript that includes national accreditation is needed in order for credits to be considered for transferring. The State of MI has specific graduation requirements that must be met to receive a high school diploma. You are encouraged to align your homeschool program if considering a return to RCS.*
