

Immunization Requirements

Dear Parents/Guardians:

In order for your child to attend school, it is necessary to provide a physician certified record of your child's immunizations. If original records cannot be obtained, the immunizations must be repeated according to New Jersey State law. Immunization records of international students must be submitted in English.

Listed below are the immunizations required by the State of New Jersey **BEFORE** the first day of school.

3 and 4 year old STUDENTS:

Diphtheria, Tetanus, Pertussis (DTP)	appropriately immunized for their age (ACIP standards)
Polio Vaccine (IPV) or (OPV)	appropriately immunized for their age (ACIP standards)
Measles	1 dose: on or after the 1st birthday
Mumps	1 dose: on or after the 1st birthday
Rubella	1 dose: on or after the 1st birthday
Haemophilus influenzae b (Hib)	1 dose minimum: on or after the 1st birthday
Varicella	1 dose: on or after the 1st birthday OR a physician's or parent's statement that the child had the disease
Pneumococcal Conjugate (PCV)	1 dose minimum: on or after the 1st birthday

***** INFLUENZA VACCINE - one dose of influenza vaccine REQUIRED between September 1 & December 31 of each year**
