

**MEMORANDUM OF UNDERSTANDING BETWEEN
LONGVIEW SCHOOL DISTRICT NO. 122 AND
LONGVIEW EDUCATION ASSOCIATION**

REGARDING ELEMENTARY SUMMER SCHOOL LOCATIONS AND SCHEDULING

The Longview School District No. 122 ("District") and the Longview Education Association ("Association") hereby confirm the following agreements related to siting and scheduling elementary summer school.

The parties agree as follows:

1. To the extent the District offers an elementary summer school program, it shall be sited as follows:
 - a. 2021-22: Kessler Elementary School
 - b. 2022-23: St. Helens Elementary School
 - c. 2023-24: North Lake Elementary School
 - d. 2024-25: Olympic or Mint Valley Elementary School
 - e. If an unforeseen siting situation develops, the District may change the site indicated herein, but not to any school that would have the program two years in a row as a result.
2. The District will schedule elementary summer school so that there is at least one (1) weekday transition between the end of the school year and the start of elementary summer school, and so that there are five (5) weekdays between the end of the elementary summer school program and the District's Kick Off in-service day for the coming school year.
3. This MOU may be enforced through the grievance procedure in the CBA.
4. This MOU will be effective on June 1, 2022, through August 31, 2025.

FOR THE DISTRICT:

Dr. Dan Zorn
Superintendent
