## Linking Khan Academy & College Board

 KHANACADEMY

 CollegeBoard

Today I will learn how to link my College Board and Khan Academy accounts.

I will know I linked my accounts correctly when I...

- Created a College Board account
- Created a Khan Academy Account
- Joined my teacher's Khan Academy course
- Prove that I linked my College Board and Khan Academy accounts by seeing **this screen on Khan Academy:**

A screenshot of the Khan Academy SAT Practice interface. The top section is blue and contains a calendar icon with the number "25", a clock, and a checkmark. To the right, it says "WELCOME TO OFFICIAL SAT PRACTICE Choose your practice schedule" and "Based on your test date, we'll put together a practice plan to ensure you're ready for the real deal." Below this is a button that says "Choose your practice schedule". A red arrow points from the top of the page down to a white box at the bottom of the screenshot. This box contains the text "You are connected to CollegeBoard.org" and "When you receive your real test results, we'll read them in and personalize your practice recommendations to focus on what you missed." To the right of this box is another white box with the text "Test scores" and a link "View Full Tests". Below this is another white box with the text "Your test scores will appear here once you complete your first practice test or import a real exam from CollegeBoard.org."
