

Algebra Camp at Butler IHS

Summer 2020 Registration Form

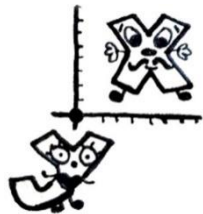

Dear “Future Algebra student”,

Are you interested in preparing for a great year of challenges and problem solving in Algebra I next year? Algebra Camp is a one-week intensive preview of the skills and concepts necessary for a great start in Algebra. Activities will focus on reinforcing Pre-Algebra concepts while we introduce fundamental Algebra concepts from Chapters 1 to 5 of the Algebra I textbook. Students will be working with multi-step equations, functions and linear relationships – all concepts that we will study during the fall semester of Algebra I. No homework, no tests, no grades! Come meet new friends, increase your confidence, and have a great time doing math. Just four lessons per day combined with activities, prizes, and snacks!!!

Algebra Camp will be **August 3th - 7th**, Monday through Friday, from 8 - 11:30 am. Class size ranges from a minimum of 20 students to a maximum of 25 students. If needed due to high enrollment, a second session will be held during the afternoon from 12:30 - 4:00 pm. Algebra Camp is designed for students who will be taking Algebra I during the 2020-21 school year. The cost for Algebra Camp is **\$50 per student** and will include supplies, prizes and snacks. Checks should be made out to the Butler Area School District. Please place your registration form and check in an envelope marked “Mrs. Bodamer/Algebra Camp” and return it to either the Intermediate High School office, Mrs. Bodamer in Room 204 or mail the envelope to the school at:

Butler Intermediate High School
 Attention: Mrs. Bodamer/Algebra Camp
 551 Fairground Hill Road
 Butler, PA 16001

The deadline for registration is June 30, 2020. I will contact you in early July with the specifics of the camp. Be aware that the payment will not be processed till early July when the registration period ends. Contact me at amy_bodamer@butler.k12.pa.us or at 724.214.3151 ext 5510 if you have any questions. (Please use email to contact me during the summer months.) Have a wonderful summer!

- Mrs. Bodamer.

Name: _____ Entering Grade _____ Math course you will be taking this fall: _____

Parents/Guardians: _____

Address: _____ City: _____ Zip: _____

Home Phone Number: _____ Cell Phone Number: _____ when to call? _____

Email Address: _____

*Summer updates are via email, so please provide an email address that you access regularly.
