WALKER TO RIDE REQUEST FORM

Students residing within the Walker Boundary of the Butler Area Senior High School & wishing to be considered for transportation should complete this form and submit it to the BASD Transportation Department at your earliest convenience.

PLEASE NOTE: Requests are handled on a first come, first served basis. Completion of this form is not a guarantee that a bus assignment will be established. Depending on availability, an assigned stop may not be the closest stop to where the student resides. Incomplete forms will not be processed. Please double check to make sure that all information is correct and complete. An established Walker to Ride bus stop is only good through the end of the current school year. A new request must be submitted yearly.

I understand that being assigned to a school bus to/from the Senior High School is a privilege and may be revoked at any time. A bus stop assignment will be assigned for the current school year only. I must arrive to the scheduled bus stop at least 10 minutes prior to the pickup time. Boarding a school bus that I am not assigned to will result in disciplinary action and loss of all riding privileges. If any type of disciplinary incident occurs while riding or waiting for the assigned school bus, the privilege will be lost and will not be reinstated for the current school year.
